**Phoning in a Murder** Elaine L. Orr, 2024-06-28 14th Jolie Gentil Cozy Mystery Lots of teachers are irritated by students paying more attention to their cell phones than what s going on in the classroom Some would like to see their school ban cell phones during the school day They don t hold out a lot of hope for a cell phone ban so they work around them More than most faculty the band director at Ocean Alley High School doesn t want students to have phones in class and he especially doesn t want the band distracted by them when they march on the football field Imagine his reaction when one goes off during the National Anthem When no student will apologize Mr O Halloran cancels band practice the week before a big competition Talk about a good way to tick off students parents and band boosters With Scoobie s brother Terry as one of the bass drummers Jolie and family have strong opinions But someone is a lot more upset At least the knitting needle in the band

director's neck seems to say so. If Jolie hadn't been the first to find the man, she would be less insistent to know what happened to him. What really gets the Ocean Alley crew invested is the last two people the school security system shows talking to: Mr. O'Halloran, Scoobie's brother, and his best friend. Rumors abound with appraising houses, running the food pantry, and keeping four-year-old twins in line. Jolie has her hands full. Scoobie's best friend, George, is always willing to butt into a mystery. Sometimes that's helpful. Other times, not so much.

A mulligan kind of instant Sorry about the whole clandestine next state over photo adventure. Crew said, "It's not like anyone else is looking since those treasure hunters debunked the idea." I remembered Olivia's disappointment how she'd invested so much time and effort into the Captain Reading branding. If only she knew, Daisy made a noise, a choking nervous sound that made me sigh. Day I said, voice low and doing my best not to feel disappointed despite knowing what she was about to say. "It's okay. Just tell us." She met my eyes, her gray ones huge while Crew waited, photos limp in his hands but zero judgment on his face. Either I'm sorry she whispered, head hanging now. "It's not just us," I told Rose everything. When a golf pro falls victim to murder during a tournament hosted at the White Valley Golf and Country Club, Fee finds herself embroiled in the mystery while the hunt for the Reading hoard heats up and secrets behind the disappearance of Fiona Doyle are finally revealed.
