A Book of Prefaces (Classic Reprint) H. L. Mencken, 2018-03-22 Excerpt from A Book of Prefaces The discussion of these essays since their first publication has been carried on at considerable length and with no little emission of heat Some of the critics who dissent from their doctrine have attacked them with the utmost vigour and they have been defended no less stoutly The reviews so far printed cover a great deal more space than the essays themselves Several reviewers in fact have returned to them more than once About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Book of Prefaces* Henry Louis Mencken, 1917 This fourth printing of A Book of Prefaces offers me temptation as the third did to revise the whole book and particularly the chapters on Conrad Dreiser and Huneker all of whom have printed important new books since the text was completed In addition Huneker has died But the changes that I d make after all would be very slight and so it seems better not to make them at all From Conrad have come *The Arrow of Gold* and *The Rescue* not to mention a large number of sumptuous reprints of old magazine articles evidently put between covers for the sole purpose of entertaining collectors From Dreiser have come *Free Twelve Men* *Hey Rub a Dub Dub* and some chapters of autobiography From Huneker before and after his death have come *Unicorns* *Bedouins* *Steeple Jack* *Painted Veils* and *Variations* But not one of these books materially modifies the position of its author *The Arrow of Gold* I suppose has puzzled a good many of Conrad s admirers but certainly *The Rescue* has offered ample proof that his old powers are not diminished The Dreiser books like their predecessors that I discuss here reveal the curious unevenness of the author Parts of *Free* are hollow and irritating and nearly all of *Hey Rub a Dub Dub* is feeble but in *Twelve Men* there are some chapters that rank with the very best of *The Titan* and *Jennie Gerhardt* *The Book of Prefaces* Alasdair Gray, 2002-01-01 Grandly conceived gorgeously realised and sparkingly alert to the making not just of works of art but of a language this crammed compendium so copiously yet lightly learned so drolly self reflexive yet enticingly accessible so exhilaratingly quixotically magniloquent is the last word in forewords Herald **A Book of Prefaces** H L Menchin, 2023-07-18 H L Mencken s classic collection of literary prefaces spans over 20 years of his career and features his sharp wit and critical eye on the literary world of his time This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is

important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [A Book of Prefaces](#) H. L. (Henry Louis) Mencken,2018-06-29 Book of Prefaces by H L Henry Louis Mencken JOSEPH CONRAD 1 Under all his stories there ebbs and flows a kind of tempered melancholy a sense of seeking and not finding I take the words from a little book on Joseph Conrad by Wilson Follett privately printed and now I believe out of print They define both the mood of the stories as works of art and their burden and direction as criticisms of life Like Dreiser Conrad is forever fascinated by the immense indifference of things the tragic vanity of the blind groping that we call aspiration the profound meaninglessness of life fascinated and left wondering One looks in vain for an attempt at a solution of the riddle in the whole canon of his work Dreiser more than once seems ready to take refuge behind an indeterminate sort of mysticism even a facile supernaturalism but Conrad from first to last faces squarely the massive and intolerable fact His stories are not chronicles of men who conquer fate nor of men who are unbent and undaunted by fate but of men who are conquered and undone Each protagonist is a new Prometheus with a sardonic ignominy piled upon his helplessness Each goes down a Greek route to defeat and disaster leaving nothing behind him save an unanswered question I can scarcely recall an exception Kurtz Lord Jim Razumov Nostromo Captain Whalley Yanko Goorall Verloc Heyst Gaspar Ruiz Almayer one and all they are destroyed and made a mock of by the blind incomprehensible forces that beset them Even in Youth Typhoon and The Shadow Line superficially stories of the indomitable that same consuming melancholy that same pressing sense of the irresistible and inexplicable is always just beneath the surface Captain Mac Whirr gets the Nan Shan to port at last but it is a victory that stands quite outside the man himself he is no more than a marker in the unfathomable game the elemental forces fighting one another almost disregard him the view of him that we get is one of disdain almost one of contempt We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Prefaces** Don Marquis,1919 *A Book of Prefaces* Henry Louis Mencken,1993-12-01 Bonded Leather binding [A Book of Prefaces](#) H. L. Mencken,2013-04-10 This fourth printing of A Book of Prefaces offers me temptation as the third did to revise the whole book and particularly the chapters on Conrad Dreiser and Huneker all of whom have printed important new books since the text was completed In addition Huneker has died But the changes that I d make after all would be very slight and so it seems

better not to make them at all From Conrad have come *The Arrow of Gold* and *The Rescue* not to mention a large number of sumptuous reprints of old magazine articles evidently put between covers for the sole purpose of entertaining collectors

Mencken, 2017-07-29 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

*A Book of Prefaces (Jovian Press)* H. L. Mencken, 2017-07-04 This fourth printing of *A Book of Prefaces* offers me temptation as the third did to revise the whole book and particularly the chapters on Conrad Dreiser and Huneker all of whom have printed important new books since the text was completed In addition Huneker has died But the changes that I d make after all would be very slight and so it seems better not to make them at all From Conrad have come *The Arrow of Gold* and *The Rescue* not to mention a large number of sumptuous reprints of old magazine articles evidently put between covers for the sole purpose of entertaining collectors From Dreiser have come *Free Twelve Men* *Hey Rub a Dub Dub* and some chapters of autobiography From Huneker before and after his death have come *Unicorns* *Bedouins* *Steeple Jack* *Painted Veils* and *Variations* But not one of these books materially modifies the position of its author *The Arrow of Gold* I suppose has puzzled a good many of Conrad s admirers but certainly *The Rescue* has offered ample proof that his old powers are not diminished The Dreiser books like their predecessors that I discuss here reveal the curious unevenness of the author Parts of *Free* are hollow and irritating and nearly all of *Hey Rub a Dub Dub* is feeble but in *Twelve Men* there are some chapters that rank with the very best of *The Titan* and *Jennie Gerhardt* The place of Dreiser in our literature is frequently challenged and often violently but never successfully As the years pass his solid dignity as an artist becomes more and more evident Huneker s last five works changed his position very little *Bedouins* *Unicorns* and *Variations* belong mainly to his journalism but into *Steeple Jack* and

above all into Painted Veils he put his genuine self I have discussed all of these books in other places and paid my small tribute to the man himself a light burning brightly through a dark night and snuffed out only at the dawn

**Prefaces and Prologues to Famous Books** Charles W. Eliot,2016-09-20 No part of a book is so intimate as the Preface Here after the long labor of the work is over the author descends from his platform and speaks with his reader as man to man disclosing his hopes and fears seeking sympathy for his difficulties offering defence or defiance according to his temper against the criticisms which he anticipates It thus happens that a personality which has been veiled by a formal method throughout many chapters is suddenly seen face to face in the Preface and this alone if there were no other reason would justify a volume of Prefaces 19th Century Book

**A Book of Prefaces** Professor H L Mencken,1992-03-01 **Prefaces** S©iren Kierkegaard,1997 Prefaces presented as a set of prefaces without a book to follow this work is a satire on literary life in nineteenth century Copenhagen a lampoon of Danish Hegelianism and a prefiguring of Kierkegaard s final collision with Danish Christendom At the same time it tightly expresses themes characteristic of the entire authorship including subjectivity and Christian devotion Shortly after publishing Prefaces Kierkegaard began to prepare Writing Samplers as a sequel This next work considers the themes of Prefaces but in a yet more ironical and satirical vein Writing Sampler remained among Kierkegaard s unpublished writings during his lifetime and appears here for the first time as Kierkegaard originally envisioned it in the company of Prefaces
