A Path To Relapse Prevention The Inside Passage:

A Path to Relapse Prevention Dennis L. Siluk, 2003-09 Mr Siluk is a Licensed Counselor with the State of Minnesota and has held international licenses in Drugs and Alcohol as well as worked for hospitals and clinics with dual disorders His first CD book *A Path to Sobriety* provides understanding on alcoholism and addiction an ultimate guide *A Path to Prevention* its companion deals with relapse prevention curing the disease Says Mr Siluk Like anything in life first you need to understand what you are dealing with and then you need to deal with it Both books offer this formula Paul Williams and Mr Siluk met at the benefit dinner party hosted by the singer song writer actor and counselor on 13 of April 1994 for the National Corporation for Substance Abuse Recovery held at Treasure Island Casino in Minnesota in which Mr Siluk was the General Manager of the Institution that sponsored the dinner the topic substance abuse *A Path to Sobriety, the Inside Passage* Dennis L. Siluk, 2002-12 This is a sensitive book rich in understanding and common sense It will put the reader in touch with what it is like to be an addictive person and what must be done to bring the person back from being an outcast As the author explains in a respectful way how the afflicted feels he includes biological psychosocial and family damage caused by the chemicals being used His effect is to create ways to deal with addiction along with new possibilities This book can be helpful to all who are involved in the world of addiction it is straight forward This book is an ultimate guide to substance abuse and addiction a powerhouse for preventing relapse and curing the disease you have in alcoholism or drugs It shows you a path to reality Dalila Feba Tapia Author Translator Lima Peru **Dracula's Ghost** Dennis Siluk, 2003-11 In this peculiar enthralling book one will find emotions adventures characters that will torment the reader if not leaving one spellbound by its expressiveness In *Dracula's Ghost* you find the legend has more than fictitious elements on the mind of a certain person with a pronounced inherited trait and is haunted by the Ghost of Dracula and its creator a most ghastly unwavering affair In *Shadows in the Wild* the mysterious shadow of a stranger conjures up an untapped emotion In *Sjorfaa Sjorfaa* you become enmeshed in an Arctic adventure In *Death in the Dust* you end up at a bullfight with a character unforgettable In *The Plane from Iquitos* you are taken into an adventure in the Amazon In *The Diamond Caddo Estate* dreams do come true at a price In *the Feathered Serpent* a quest is sought and in *The Quiet of Quiahuiztlan* the quiet is short lived **Sirens** , **Stay Down, Old Abram** Dennis Siluk, 2004-06 From two short stories and fragments of others comprising basically an outline by the author grows a masterpiece after 14 months a most lucid novel perhaps the best account of a cross cultural form of intolerance in historical fiction in a long time Based on actual events *Stay Down Old Abram* the author paints two streets one white one black in this tragic game where moods and friction bring out the roots of deeply idealistic rejection and suppressed tendencies all embedded in the narrative One might even conclude this story is not all that much different than what took place in Iraq's Abu Ghraib prison outside of Baghdad recently although in a thinner angle yet in both cases we see undisciplined soldiers working in sensitive spots The time and place is West Germany mid 1970's By Rosa Pe aloza Translator Writer I had read

some of Dennis Siluk's books and I liked them very much the stories and topics touched in each one I could say that reading them they carry you inside the story and you begin to dream and dream as if you were part of the story Nancy De Valencia English Teacher The Macabre Poems[and Other Selected Poems] Dennis Siluk,2004-11 This is Mr Siluk's 27th book his third book of poetry since 1981 Siluk's poetry has been seen in magazines most recently The Mango Tree out of India anthologies newspapers books interwoven into stories and in the internet magazines such as www.uselessknowledge.com and www.eldritchdark.com Siluk has the three main ingredients for being a writer the love for words perseverance and has a lot to say In The Macabre Poems the categories of his poems range from Macabre Prose Legends emphasis on Atlantis and Gilgamesh and Selected Poems along with War poems and a Miscellaneous section There is an assortment of poetic style of poetry in The Macabre Poems to include prose lyrical expressive odes epics and tales along with sonnets haiku etcetera Indeed Siluk is worth his salt In The Macabre Poems Siluk is more than daring in his poetic verse dangerous as it may be to read it was twice as hard to write but Mr Siluk put it in a nutshell If you want to know who you're dealing with you got to take a mustard seed of faith with you to the pits of hell playing it safe will not get you home Rosa Pe aloza Translator

Perhaps It's Love Dennis L. Siluk,2004-12 Perhaps it's Love the original element which gives this book its name concerns four young adults that play a vital role to follow their hearts sometimes without adequate preparation or the appropriate equipment as a test of the will This of course nearly crushes each person's spirit In one way or another each youth is linked to each other ages between 18 and 21 The novel is primarily concerned with choices in love in some cases a manifesto about its dangers At the end it must be said nothing was tolerable but the best No one was without sin Four youths 1967-68 while being in the process of growth get stirred up quite a lot some even lost in the commotion of events while feelings become nourished and intensified all aching for love in their own way A lesson might well be learned if they can only harness their crying hearts but first unhappiness has to be conquered part of the theme and plot The story has a shy charm to it a quick gaiety and objective tenderness It is dramatic it has an exploring inner mind Many parts of this book are based on actual events transformed into historical fiction After Eve Dennis Siluk,2004-02 Says the author This story will bring you deep into it make you live it it transcends Evolution and Creationism to form a unique relationship with humanity Beyond the myths of this world resides pieces of truth thus forming this story where boundaries are marked by no one The author conjures up a gallant saga science fiction where the Garden of Eve is in decay and the inhabitants of the world are forming a New World Order From the book Death on Demand by Mr Siluk says author E J Soltermann Healing from Terrorism Fear and Global War The Dead Vault A gripping tale that sucks you deep through human emotions and spits you out at the end as something better In a like manner After Eve holds the same truths Mr Siluk being a world traveler a lover of the mysteries around the world has visited many World Heritage Sites recently he visited the most remote island in the world Easter Island where Kevin Costner made his movie Rapa Nui there he stands the author with Charlie Love Geologist Archeologist and

Grant McColl Anthropologist June 2002 The author felt this would be a most befitting picture for such an intriguing story

The Mumbler Dennis Siluk,2003-10 With a stroke of madness this psychological thriller novel is a story that takes place between Paris London and Amsterdam the time period being 1925 The author states After you read The Mumbler you will never get him out of your mind nor will anybody take his place He adds You will hate him feel sorry for him and at the same time want to avoid him The person referred to as The Mumbler is quite a complex figure in this haunting drama unprotected by his father who dies in WWI he now faces life on his own circumstances being problematic at best as he unwittingly fights the demons in his nightmare and his second self But who will he follow is the question the first or second self One being a thinker a scholar of sorts the other an unpredictable pathological murderer both being the incarnation of genius and malign

Aftercare Dennis Siluk,2004-02 Mr Siluk has retired with some forty four years of experience in the field of Chemical Dependency half being in usage He was a licensed Counselor in good standing with the State of Minnesota up to October 31 2003 upon his retirement He has also held international certifications working in hospitals and clinics in dual disorders In his three books the author has used his experience and degrees in the behavioral science field along with his counseling skills in producing all common sense books on understanding alcoholism and addiction The 1st book A Path to Sobriety is an ultimate guide to substance abuse His 2nd book A Path to Relapse Prevention is a powerhouse for preventing relapse and curing the disease Now with his 3rd and final book *Aftercare* Chemical Dependency Recovery says the author *Aftercare* is an element of primary prevention and relapse prevention which deals with a triangle of the continuing care cycle often times neglected

Passages Through Recovery Terence T Gorski,2009-07-30 *Passages through Recovery* presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Abstinence from alcohol and other drugs is only the beginning of sobriety It s the ticket to get into the theater not the movie we are going to see *Passages through Recovery* One of the most important things we learn in recovery is that there really is a way out of all the misery if we know which way to go But abstinence from alcohol and other drugs is just the beginning of our journey not our destination And that journey can be a rough one if we don t know what lies ahead Based on the experiences of thousands of recovering men and women *Passages through Recovery* presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety Gorski s pioneering work describes six stages of recovery from chemical dependency and offers sound advice for working through the challenges of each stage challenges that can create frustration and lead to relapse *Passages through Recovery* clearly demonstrates that sobriety is more than just healing the damage It s a way of thinking acting and relating to others Gorski writes that promotes continued physical psychological social and spiritual health The skills necessary for long term sobriety are all directed at finding meaning and purpose in life Use this book as a compass in your recovery to help you stay on course

Passages Through Recovery Terence T. Gorski,1989 This pioneering work describes six stages of recovery

from chemical dependency and offers sound advice for working through the challenges of each stage challenges that can create frustrations that may lead to relapse
