## **A Misalliance:**

**A Misalliance** Anita Brookner,2012-08-01 After twenty years of marriage Blanche Vernon is alone abandoned by her husband Bertie for a childishly demanding computer expert named Mousie While Blanche finds this turn of events baffling she feels that Bertie must have left her because of her overly sensible demeanor Yet many of their mutual friends disagree In fact Blanche has come to be regarded as undeniably eccentric making elliptical remarks that no one knows how to read and chatting at great length about characters in fiction She resolutely fills her unwanted hours with activities maintaining her excellent appearance drinking increasingly more wine and in an attempt to turn her energy to good works becoming severely enmeshed in the life of a disordered young family The Misalliance Anita Brookner,1988 **Bernard Shaw's Marriages**

**and Misalliances** Robert A. Gaines,2017-10-25 This book combines the insights of thirteen Shavian scholars as they examine the themes of marriage relationships and partnerships throughout all of Bernard Shaw s major works It also connects Shaw s own experiences of love and marriage to the themes that emerge in his works showing how his personal relationships in and out of matrimonial bonds change the ways his characters enter and exit marriages and misalliances While providing a wealth of new analysis this collection of essays also leaves lingering questions for the reader to spark continuing dialogue in both individual and academic settings **Classics in Psychoanalytic Technique** Robert

Langs,1977-07-07 Dr Robert Langs collects the most important and creative work ever published on how to do psychotherapy and psychoanalysis in *Classics in Psychoanalytic Technique* Practioners should base their studies upon This revised edition builds upon his previous volume of works *The Therapeutic Interaction* as well as extended the critiques that were included in the earlier book The book is grouped into subject matters and then arranged chronologically within each category so as to provide a sense of growth in psychoanalytic thinking Beginning with Freud s intrapsychic foundation and oedipal emphasis and spanning all the way to recent contributions Included are the works of Winnicott the Kleinians and Greenson just to name a few Dr Langs concludes the volume with a paper of his own addressing the question of the whether the writings constitute a solid foundation or a fa ade In any field growth and change are important yet one can never forget their humble beginnings Which is why *Classics in Psychoanalytic Technique* is a tribute to those who struggled to advance the field of psychoanalysis
