**The Children of 1965** Min Hyung Song, 2013-04-15 Since the 1990s a new cohort of Asian American writers has garnered critical and popular attention Many of its members are the children of Asians who came to the United States after the Immigration and Nationality Act of 1965 lifted long standing restrictions on immigration This new generation encompasses writers as diverse as the graphic novelists Adrian Tomine and Gene Luen Yang the short story writer Nam Le and the poet Cathy Park Hong Having scrutinized more than one hundred works by emerging Asian American authors and having interviewed several of these writers Min Hyung

Song argues that collectively these works push against existing ways of thinking about race even as they demonstrate how race can facilitate creativity Some of the writers eschew their identification as ethnic writers while others embrace it as a means of tackling the uncertainty that many people feel about the near future In the literature that they create a number of the writers that Song discusses take on pressing contemporary matters such as demographic change environmental catastrophe and the widespread sense that the United States is in national decline

**The Complete Kennections** Ken Jennings, 2025-07-29 National Bestseller The first new trivia book in more than a decade from Jeopardy host Ken Jennings based on his hugely popular online game Kennections Five trivia questions Five answers that share a secret theme What is the Kennection Since 2012 Jeopardy champion and host Ken Jennings has created a weekly puzzle first appearing in Parade then Mental Floss involving a series of trivia questions whose answers have something in common The trivia questions run the gamut of topics from pop culture movies TV music to academic knowledge history geography the arts to lifestyle food and drink sports hobbies But the trickiest part might be finding the Kennection that links all five answers Many are standard trivia categories D Day beaches Presidential middle names Santa's reindeer Batman villains but almost anything goes so thinking outside the box is just as important as trivia knowledge What do feet McDonald's fingerprints and St Louis have in common They all have arches What about Mercury Chihuahuas electrons and Rhode Island They're all the smallest of their kind Columbia Grease and I Ran by A Flock of Seagulls They're homophones for nations of the world For the first time the Kennections canon is available in one convenient volume with hundreds of new and updated quizzes The Complete Kennections is the perfect gift for any Jeopardy fan trivia buff or New York Times Connections puzzler
