A Mithraic Ritual:

A Mithraic Ritual G. R. S. Mead,2001-11-01 **A Mithraic Ritual Echoes from the Gnosis** G. R. S. Mead,2015-11-26

The last little volume gave the reader a brief outline of what is known of the cult of Mithra and the spread of the Mithriac Mysteries in the Western world We have now to deal with a Mithriac Ritual of the most instructive and intensely interesting character which introduces us to the innermost rite of the carefully guarded secrets of the Mithriaca This Ritual is all the more precious in that our knowledge of the Liturgies of the ancient Pagan cults of the West is of the scantiest nature A few fragments only remain mostly in the form of hymns whereas the Ritual before us is complete and the only complete one so far discovered Dieterich calls it a 9a Liturgy but a Liturgy is a service in which several take part whereas it is plain that our Ritual was a secret and solemn inner rite for one person only *The Mind of Mithraists* Luther H. Martin,2014-11-20

The Roman cult of Mithras was the most widely dispersed and densely distributed cult throughout the expanse of the Roman Empire from the end of the first until the fourth century AD rivaling the early growth and development of Christianity during the same period As its membership was largely drawn from the ranks of the military its spread but not its popularity is attributable largely to military deployments and re deployments Although mithraists left behind no written archival evidence there is an abundance of iconographic finds The only characteristic common to all Mithraic temples were the fundamental architecture of their design and the cult image of Mithras slaying a bull How were these two features so faithfully transmitted through the Empire by a non centralized non hierarchical religious movement *The Minds of Mithraists* Historical and Cognitive Studies in the Roman Cult of Mithras addresses these questions as well as the relationship of Mithraism to Christianity explanations of the significance of the tauroctony and of the rituals enacted in the mithraea and explanations for the spread of Mithraism and for its resistance in a few places The unifying theme throughout is an investigation of the mind of those engaged in the cult practices of this widespread ancient religion These investigations represent traditional historical methods as well as more recent studies employing the insights of the cognitive sciences demonstrating that cognitive historiography is a valuable methodological tool Mithraic Ritual G. R. S. Mead,1993-08-01 **The Cult of Mithras in Late Antiquity** David Walsh,2018-11-29

In *The Cult of Mithras in Late Antiquity* David Walsh explores how the cult of Mithras developed across the 3rd and 4th centuries A D and why by the early 5th century the cult had completely disappeared Contrary to the traditional narrative that the cult was violently persecuted out of existence by Christians Walsh demonstrates that the cult s decline was a far more gradual process that resulted from a variety of factors He also challenges the popular image of the cult as a monolithic entity highlighting how by the 4th century Mithras had come to mean different things to different people in different places The Mysteries of Mithras Payam Nabarz,2005-06-09

An overview of Mithraism the ancient Roman mystery religion popular in the Roman Legions Provides a comprehensive history of Mithraism including its influence on Christianity and Islam Includes rituals meditations and teaching tales for readers who wish to

follow the Mithraic path Studies the evolution and divergence of the Eastern Persian and Western Roman forms of Mithraism The Mysteries of Mithras presents a revival of the magical practices and initiatory system of Mithraism the ancient Roman mystery religion that was immensely popular in the Roman Legions from the late second century B C until A D 400 and was taken to every corner of the Roman Empire As the last pagan state religion in Europe it was the most important competitor to early Christianity and heavily influenced Christian doctrine and symbolism The parallels between Christianity and ancient Mithraism are striking for example the god Mithra was born of a virgin in a cave on December 25 Payam Nabarz reveals the history origins and spiritual and philosophical tenets of Mithraism and its connections to Christianity Islam and Freemasonry He also describes the modern neo pagan practice of Mithraism in evidence today and for readers who wish to adopt the Mithraic path he includes seven of its initiatory rituals and meditations as well as orations and teaching tales that open the door to the seven Mithraic grades of passage
