A Mountain In Tibet:

To a Mountain in Tibet Colin Thubron, 2011-03-01 A superb account of a pilgrimage Characteristically beautiful though uncharacteristically haunted Pico Iyer New York Review of Books Thubron walks for the dead and writes for the living and I can't remember when I have been so thoroughly and deeply moved by an author's outward journey inward Bob Shacochis Boston Globe New York Times bestselling author Colin Thubron returns with a moving intimate and exquisitely crafted travel memoir recounting his pilgrimage to the Hindu and Buddhist holy mountain of Kailash whose peak represents the most sacred place on Earth to roughly a quarter the global population With echoes of Peter Matthiessen's *The Snow Leopard* Peter Hessler's *Country Driving* and Paul Theroux's *Ghost Train to the Eastern Star* Thubron's follow up to his bestselling *Shadow of the Silk Road* will illuminate interest and inspire anyone interested in traveling the world or journeying into the soul [A Mountain in Tibet](#) Charles Allen, 1992

HOLY MOUNT KAILASH Milan P. Rakocevic, 2013-06-06 Kailash The Heart and Soul of Tibet There are few places on Earth comparable to the mysterious stunningly beautiful and completely isolated Mt Kailash which lies well hidden in a remote and deserted region of western Tibet In order to understand the importance of holy Mt Kailash it is necessary to know that it is considered the legendary abode of the gods One circle around the mountain 54 km is symbolically one revolution of the wheel of life or the cycle from birth to death This simultaneously brings about the purification and forgiveness of all sins committed in this lifetime This is the land of the Sun In this spot I started to understand the difference between the world that I was coming from and the one that was standing before me This is without doubt the most beautiful spot on Earth This is Shambhala These were moments of great happiness when all the struggles of travelling are forgotten and replaced by sheer joy This is the physical and spiritual climax of the pilgrimage because the Drolma La pass is considered the most holy spot on the trail and arrival there marks the beginning of a completely new life
