GLASGOW AND BOMBAY

1911

"What good will it do us, though'st thou our doer,
The more our good doer?"

—*Henry and Clarendon*, II, 3, 8.

A New Shakespearean Dictionary

John Phin

A New Shakespearean Dictionary:

A New Shakespearean Dictionary Richard John Cunliffe,1910 **A New Shakespearean Dictionary (Classic Reprint)** Richard John Cunliffe,2017-02-17 Excerpt from A New Shakespearean Dictionary I have aimed at helping those who wish to read Shakespeare in a scholarly spirit with a full understanding of the sense and at providing the means of forming an accurate idea of the extent to which the Shakespearean vocabulary differs from our own and of the details of the difference The Shakespearean language is to an extent greater than is sometimes supposed a dead tongue to us and can be thoroughly mastered only by study with the aid of grammar dictionary and comment In the matter of grammar the student's needs are amply supplied there is at his disposal a body of comment of varying excellence it is true but of great extent but there seems to be room for a dictionary on the lines of the present work showing the results of a reconsideration of the vocabulary in the light of recent research In particular the time seems to have come for a fresh treatment of the subject in view of the fact that the New English Dictionary to which further reference is made below is so far advanced towards completion So far as I am aware this is the first work of the kind on a considerable scale in which the materials furnished by the Dictionary have been systematically drawn upon and in which the scientific guidance to the treatment of the words which it affords has been fully made use of a feature which may of itself be thought to entitle the book to some consideration About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Shakespeare Cyclopaedia and New Glossary](#) John Phin,1902 **The Shakespeare Cyclopædia and New Glossary** John Phin,1902 **The Shakespeare Cyclopædia and New Glossary ...** John Phin,1902 *A Dictionary of Shakespeare's Sexual Puns and Their Significance* Frankie Rubinstein,1989-12-11 Rubinstein is far from innocent and comes to our aid with a lot of learning and is quite right to urge that not to appreciate the sexiness of Shakespeare's language impoverishes our own understanding of him For one thing it was a strong element in his appeal to Elizabethans who were much less woolly mouthed and smooth tongued than we are For another it has constituted a salty preservative for his work among those who can appreciate it an enlightening book A L Rowse *The Standard* **A Brief Guide to the Literature of Shakespeare** Herman Henry Bernard Meyer,1915 *NEW SHAKESPEAREAN DICT* Richard John Cunliffe,2016-08-28 **A New Shakespearean Dictionary** Richard John Cunliffe,1922-01-01 **Shakespeare** ,1913 [The New Cambridge Bibliography of English Literature](#) George Watson,Ian Roy Willison,1974 *Bulletin of the Library Company of Philadelphia* ,1909 *Bulletin of the Library Company of Philadelphia* Library Company of Philadelphia,1904

Calendar University of Aberdeen,1927 **The Glasgow University Calendar** University of Glasgow,1927 **Glasgow University Calendar** University of Glasgow,1924 The School ,1928 *The Journal of Education* ,1910 **Dictionary of National Biography** Leslie Stephen,Sir Sidney Lee,1909 **British Books in Print** ,1924
