Theaters of Desire: Authors, Readers, and the Reproduction of Early Chinese Song-Drama, 1300-2000 P. Sieber,2003-07-17 Blending a flair for textual nuance with theoretical engagement Theaters of Desire not only contributes to our understanding of the most influential form of early Chinese song drama in local and international cultural contexts but adds a Chinese perspective to the scholarship on print culture authorship and the regulatory discourses of desire The book argues that particularly between 1550 and 1680 Chinese elite editors rewrote and printed early plays and songs so called Yuan dynasty zaju and sanqu to imagine and embody new concepts of authorship readership and desire an interpretation that contrasts starkly with the national and racially oriented reception of song drama developed by European critics after 1735 and subsequently modified by Japanese and Chinese critics after 1897 By analyzing the critical and material facets of the early song and play tradition across different historical periods and cultural settings Theaters of Desire presents a compelling case study of literary canon formation

China and the Writing of English Literary Modernity, 1690-1770 Eun Kyung Min,2018-04-19 This book explores how a modern English literary identity was forged by its notions of other traditions and histories in particular those

of China The theorizing and writing of English literary modernity took place in the midst of the famous quarrel between the Ancients and the Moderns Eun Kyung Min argues that this quarrel was in part a debate about the value of Chinese culture and that a complex cultural awareness of China shaped the development of a national literature in seventeenth and eighteenth century England by pushing to new limits questions of comparative cultural value and identity Writers including Defoe Addison Goldsmith and Percy wrote China into genres such as the novel the periodical paper the pseudo letter in the newspaper and anthologized collections of antique English poetry inventing new formal strategies to engage in this wide ranging debate about what defined modern English identity

Chinese Literature in English Sinology Lingjie Ji,2025-01-31 Chinese Literature in English Sinology takes an exciting new approach to Sino British literary and cultural encounters in the nineteenth century focusing specifically on British Sinologists study of Chinese literature in the English language It provides the first comprehensive exploration of their writings on Chinese literature as a form of literary knowledge constructed through the process of cultural translation a translingual and transcultural rewriting The analysis reveals the interaction between Chinese and English literary concepts and paradigms in their study that gave rise to ideas about Chinese literature still influential today Drawing attention to the political implication of literary knowledge this book also demonstrates that Sinologists interpretation of Chinese literature played an important role in shaping the British cultural imagination of China Tracing this uncharted history Chinese Literature in English Sinology contributes to present and future debates on the intercultural reading and studies of Chinese literature by offering a genealogical understanding of its origins and ramifications

The Chinese Taste in Eighteenth-Century England David Porter,2010-11-11 Eighteenth century consumers in Britain living in an increasingly globalized world were infatuated with exotic Chinese and Chinese styled goods art and decorative objects However they were also often troubled by the alien aesthetic sensibility these goods embodied This ambivalence figures centrally in the period s experience of China and of contact with foreign countries and cultures more generally David Porter analyzes the processes by which Chinese aesthetic ideas were assimilated within English culture Through case studies of individual figures including William Hogarth and Horace Walpole and broader reflections on cross cultural interaction Porter s readings develop new interpretations of eighteenth century ideas of luxury consumption gender taste and aesthetic nationalism Illustrated with many examples of Chinese and Chinese inspired objects and art this is a major contribution to eighteenth century cultural history and to the history of contact and exchange between China and the West
