Bundle Version Psychologynow Psychology A Modular Approach:

Psychology Dennis Coon, 2006 Over 2 million students have learned psychology from Dennis Coon Serving as a guide and mentor to students Coon uses humor and everyday analogies to make abstract concepts concrete such as the cerebral cortex looks like a giant wrinkled walnut Using a consistent pedagogical structure the author helps students learn psychology by using the tested principles of Survey Question Read Recite and Review In addition he helps them to master psychology with a fourth R Relate which requires them to relate their new knowledge to their own experience helping abstract ideas to become concrete The book uses a chunking principle asking students to read major sections then review them before they go on As the new title of the book indicates PSYCHOLOGY A MODULAR APPROACH TO MIND AND BEHAVIOR formerly called ESSENTIALS OF PSYCHOLOGY is now modular and is the medium sized text in a three book set authored by Dennis Coon By separating the chapters into modules this edition goes even further in chunking content for student mastery This text covers the basic set of topics but differs by having two chapters on development a separate chapter on Gender and Sexuality Chapter 15 and a concluding chapter on Applied Psychology Chapter 17 The book is frequently described as fun because it presents topics that are of interest and relevance to students relates it to their lives and provides many engaging applications that students can use in their own lives For teachers who want a book that students will read enjoy and savor Coon s text is the perfect choice *Psychology* John Otto Mitterer, Dennis Coon, Tanya Martini, 2015-02-02 Psychology A Modular Approach is an adaptation of the best selling text by renowned authors and educators John O Mitterer and Dennis Coon This first Canadian edition adapted by Brock University s Tanya Martini continues to combine the highly effective SQ4R Survey Question Read Recite Reflect Review active learning system an engaging style appealing visuals and detailed coverage of core topics and cutting edge research in one remarkable comprehensive text Current and relevant to students studying in Canada this new edition builds on the proven modular format extensive special features and teaching and learning tools integrated throughout the text While the text provides a broad overview of essential psychology topics ideal for introductory courses its modular design also readily supports more specialized curricula allowing instructors to use the self contained instructional units in any combination and order **Psychology in Modules + Launchpad, Six Month Access for Virtual Bundle** David G. Myers, PhD, 2016-06-27 *Psychology, Eighth Edition, in Modules Visual Concept Reviews* Richard O. Straub, David G. Myers, Richard Straub, 2007-08-29 This full color booklet available for free when shrink wrapped with the book or Study Guide offers fill in the blank style concept charts that allow students to apply their understanding of the concepts to real life situations with answers in an appendix Some of the Concept Reviews focus on the biopsychosocial approach thus extending the levels of analysis theme that David Myers has further applied in the text for this edition *Psychology* Dennis Coon, John O. Mitterer, 2011-01-11 Written by Jeannette Murphey of Meridian Community College each chapter of this Study Guide features the following sections Chapter Overview Recite and Review Connections Check

your Memory Final Survey and Review and a Mastery Test The Study Guide also includes a language development section that clarifies idioms special phrases cultural and historical allusions and difficult vocabulary Also new to this edition is a Critical Thinking feature

Psychology in Action Karen Huffman, 2007-01-16 Keeping up to date with the rapidly changing field of psychology can be overwhelming In the new eighth edition Huffman engages readers by showing how the latest concepts and theories are applied in their everyday lives She follows a modular approach to the study of psychology providing ongoing study tips and psychological techniques for mastering the material This approach motivates the reader while quickly expanding their understanding of the subject

Loose-leaf Version for Psychology in Modules David G. Myers, C. Nathan DeWall, 2015-01-12

Psychology, 1975 **Abnormal Psychology**, 2017 *Introduction to Psychology* Rod Plotnik, Haig Kouyoumdjian, 2010-02-22 Rod Plotnik and Haig Kouyoumdjian's modular visual approach to the fundamentals of psychology makes even the toughest concepts engaging and entertaining As the pioneer of what's become known as the visual or magazine style text Plotnik's *Introduction to Psychology* remains the one developed on the strongest foundation of visual learning theory and research Each and every page of the text is individually planned written and formatted to effectively incorporate the use of Visual Cues which help students to better remember information The text also utilizes chunking a method of breaking concepts down into small easily digested sections that help students learn at their own pace and give instructors great flexibility in planning their courses The Ninth Edition features a contemporary new design over 500 new visuals timely new topic coverage and over 1 000 new references all from recent years The authors' commitment to visual learning is extended into their text's comprehensive ancillary package the cornerstone of which is the multimedia PowerStudy Updated and now available on DVD PowerStudy 4 5 is a unique and unusually effective study guide

Psychology in Modules David G. Myers, C. Nathan DeWall, 2020-09-21 In *Psychology Thirteenth Edition in Modules* David Myers and Nathan DeWall break down the content of the new edition of their chapter based *Psychology* into 55 independent modules assignable in any sequence and brief enough to be read in one sitting This flexible format is favored by a wide range of students and instructors and supported by research showing that students working with shorter reading assignments are better able to retain the concepts From its beginnings to this remarkably fresh and current new edition Myers and DeWall have found extraordinarily effective ways to involve students with the remarkable research underlying our understanding of human behavior But while the content and learning support evolves edition after edition the text itself continues to be shaped by basic goals David Myers established at the outset including to connect students to high impact research to focus on developing critical thinking skills and to present a multicultural perspective on psychology so students can see themselves in the context of a wider world This new edition offers 2100 research citations dated 2015 2020 making these the most up to date introductory psychology course resources available With so many exciting new findings and

every chapter updated with current new examples and ideas students will see the importance and value of psychological research and how psychology can help them make sense of the world around them The abundant high quality teaching and learning resources in LaunchPad and in Achieve Read Practice carefully matched to the text content help students succeed while making life easier and more enjoyable for instructors *Loose-leaf Version for Exploring Psychology in Modules* David G. Myers,2016-01-11 [Abnormal Psychology + Mindtap Psychology, 1 Term 6 Months Printed Access Card, Enhanced](#) , [Loose-Leaf Version for Exploring Psychology in Modules](#) David G. Myers,C. Nathan Dewall,2018-10-19 **Abnormal Psychology and Life + Mindtap Psychology, 1 Term 6 Months Printed Access Card, Enhanced** ,2018 [Exploring Psychology in Modules](#) David G. Myers,C. Nathan DeWall,2018-10-12 Do you want your students to engage with and retain psychology s key principles and to work toward becoming better students and better people in the process The modular version of the best selling Exploring Psychology offers creative ways to help make it happen The new edition of Exploring Psychology in Modules offers outstanding currency on the research practice and teaching of psychology Myers and DeWall inspire students with fascinating findings and applications effective new study tools and technologies and a compassionate and compelling storytelling voice Their presentation is based on the same guiding principles that made David Myers the world s bestselling introductory psychology author Facilitate learning by teaching critical thinking and helping students at every step Present psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts Make sure students come away with an appreciation of psychologys big ideas and with a deeper respect for humanity what drives us distinguishes us unifies us [Psychology in Modules](#) Saul Kassin,Shepard Gorman,2008 **Exploring Psychology** David G. Myers,2002-10-22 From his experience as an author and teacher David Myers has concluded that students digest material more easily when it is presented in smaller chunks Ask students whether they would prefer a 600 page book to be organized as fifteen 40 page chapters or as forty 15 page chapters and their answers will approach a consensus students prefer shorter chapters And research on learning strategies supports this preference chunked material is more easily digested Responding to student preference and learning research Myers has created a modular version of his best selling brief introductory text Exploring Psychology Exploring Psychology Fifth Edition in Modules reorganizes the 15 chapters of Exploring Psychology Fifth Edition into 40 short chapters or modules The modular organization offers instructors more freedom to pick and choose from a smorgasbord of topics Instead of deciding whether to assign the whole chapter on consciousness instructors can simply assign the module on sleep and dreams the module on hypnosis and or the module on drugs and behavior Given that each module stands alone and is not dependent upon the content found in other modules instructors can also choose to cover the modules in any order they please Featuring the latest research and teaching innovations Myers new text reflects the author s continuing drive to discover the most effective way to communicate psychology s major ideas to an uninitiated audience Note Exploring Psychology Fifth Edition in Modules is now available

saleable in two different saleable versions a A hardcover spiralbound text similar in structure to the spiralbound Myers in Modules b A perfectbound paperback text The features that have made David Myers introductory psychology textbooks such phenomenal successes compelling narrative critical thinking theme superior design are all present in Exploring Psychology Fifth Edition in Modules The way those hallmark features are presented is different This is NOT a brief version of Psychology Myers in Modules Sixth Edition Rather this new text is a Modularized version of Exploring Psychology Fifth Edition Therefore it enjoys all of the hallmark features of Exploring Psychology Fifth Edition SQ3R pedagogical system terrific writing and briefer coverage of key topics It is in fact the same writing content as can be found in Exploring Psychology Fifth Edition just with a different organization

Exploring Psychology (cloth) David G. Myers, 2004-04-02 The cloth version of the new edition of Myers's best selling brief text with exceptional writing integrated use of the SQ3R learning system current research and superior supplements returns in a new edition that contains enhanced coverage of personality neuroscience and more

Theoretical Approaches in Psychology Matt Jarvis, 2006-09-21 Psychologists use a range of principles and theories all of which view the person and the study of the person in very different ways Theoretical Approaches in Psychology introduces and outlines the six main approaches and considers how each has helped psychologists understand human behaviour thought and feeling The Routledge Modular Psychology series is a completely new approach to introductory level psychology tailor made for the new modular style of teaching Each book covers a topic in more detail than any large textbook can allowing teacher and student to select material exactly to suit any particular course or project Especially written for those students new to higher level study whether at school college or university the books include the following designed features to help with technique Practice essays with specialist commentary to show how to achieve a higher grade Chapter summaries and summaries of key research Glossary and further reading Progress and review exercises
