Kaoru Yamashita,1997-05-14 31 graphic design firms from 8 countries provide a rare inside look at the design process
leading up to the final presentation of a proposal to the client This book uses artwork prepared for advertising or package
design and selected for its conceptual originality to demonstrate this fascinating process Starting from the earliest sketches
we move through black and white or color comps to the final presentation and the completed work with the added insights of
the designer s own commentary to help us along the way Developing the ideas refining the concept employing presentation
techniques it can all be found within these pages This landmark publication makes an entirely new departure revealing the
