Slaughter Park Barry Maitland, 2016-10-03 The final book in the critically acclaimed Belltree Trilogy Harry Belltree's obsessive pursuit of justice has cost him everything his job in homicide his marriage and his newborn child He has nothing left to lose or so he thinks Then his estranged wife disappears leaving their baby daughter behind The police think Jenny has murdered a man Harry thinks she's in danger When severed limbs are found dangling from the branches of trees in a suburban park Harry's former colleagues are pulled off Jenny's case It's up to Harry to track his missing wife down on his own And to lay bare at last the extraordinary conspiracy that led to his parents' murder Barry Maitland was born in Scotland and in 1984 moved to Australia to head the architecture school at the University of Newcastle in New South Wales The Marx Sisters the first in his Brock and Kolla crime series was published in 1994 Barry now writes full time and his books are read throughout the English speaking world and in translation in a number of other countries He lives in the Hunter Valley At last the third instalment of Barry Maitland's Belltree trilogy Slaughter Park It's an impressive conclusion to an epic tale Taken as a whole these three crime novels constitute an extended commentary on some of the more pressing moral issues facing Australia These include dealing with a reprehensible past and the ongoing impact of the stolen generation as well as the obligation to defend a fragile environment from commercial exploitation Age Almost hypnotically compelling impossible to look away from despite the violence on view A stunning conclusion to a remarkable trilogy Booklist STARRED review Fans of hard hitting crime fiction will be sorry to see the last of Harry Publishers Weekly Policing the Progressive City Kristian Williams, 2026-02-10 The dangers of progressive policing as told through a study of Portland Oregon This is a story of Portland Oregon from an outpost of the Hudson's Bay Company through its founding as a city and the long and lively twentieth century shaped by organized crime labor unrest and waves of migration But more so this is a story of how over the course of nearly 200 years the city has pursued law and order under the influence of business interests political climbers and social campaigners By maintaining the Portland Police Bureau a body that has time and again proved a law unto itself the powers that be belie the city's reputation for liberal values and civic mindedness An expert chronicler of police abuse of power Kristian Williams now turns his focus to law enforcement in his own backyard It is the city's progressive veneer this book argues that allows the repressive core of its policing machinery to function so effectively weathering scandals co-opting critics and periodically renewing police legitimacy with well timed and carefully limited reforms Williams's meticulous research and expert storytelling lay bare the Portland Police Bureau's legacy of bigotry corruption and violence The most well intended efforts to address the community's needs have resorted to the criminal justice system incarcerating and killing those they purport to help Portland was among the first in the US to hire a female officer and the first large city with a female police chief as well as an early and enthusiastic proponent of community policing Yet the city's public record comprehensively shows racially discriminatory and disproportionately violent encounters with law enforcement a department

that commits racist and sexist abuse both inside and outside its ranks and persistent criminal and retributive actions on the part of its officers The PPB is an institution impervious to reform let alone common decency Amid the 2020 protests that swept the nation and after decades of grassroots organizing against police killings in the city Portland saw almost 200 days of mass uprising against police brutality and far right extremism exposing the depth of anger aimed at the outrageous actions of the PPB Policing the Progressive City adds to our understanding of how the US police system perpetuates racism violence and exploitation even in one of America s most loudly liberal environments Two Hearts as One Jesse Wilson,2010-04-01 These poems come from the heart of a commom man It is my sincere hope that they touch the hearts of others as they have my own This hope is expressed in the title Two Hearts As One **Why Did They Kill?** Alexander Laban Hinton,2005 This is an ethnographic examination and an appraisal of the Cambodian genocide under Pol Pot based on the author s long fieldwork in the area The Armourer of Nantes Michael William Balfe,John Vipon Bridgeman,1863 **Uncle Piper of Piper's Hill** Tasma,1891 **Scribner's Magazine** Edward Livermore Burlingame,Robert Bridges,Alfred Sheppard Dashiell,Harlan Logan,1912 The dual image, a mystical poem of life William Sharpe (M.D.),1902 **Scot.
