*Journal of Canadian Poetry*, 2003      The Book Trade in Canada, 2005      *Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur*, 2003      *2005 Poet's Market*® Nancy Breen, Erika Kruse, 2004-07 Presents a guide to publishing poetry containing lists of entries with evaluations of poetry publishers and complete submission and contact information      The Surface of Meaning Robert Bringhurst, 2008 The design and manufacture of books can tell as much about a people or a culture as the ambience of its streets and the architecture of its buildings In our everyday lives books surround us even if we are among the many who never read another one after high school Their very jacket design asks us to make meaning of their presence and when we open them the layout of words and stories within their covers makes us readers even before we begin to read To Robert Bringhurst typographer poet and writer the presence of books and the story of books in Canada are preludes to understanding our culture From the tattered book of Canadian poetry your moody cousin carried everywhere to the pristine hardcover book of Atwood's latest work in your brainy co-worker's hands book design says much about who and where we are as Canadians In *The Surface of Meaning* Robert Bringhurst takes us on another of his walking tours this time through the bramble of English and French Canadian books and book design from the mid 18th Century to the present day Along the way he discovers a true image trove of identity culture and history And he does what no other work on books and publications does He creates a truly national survey of Canadian books by bringing Canada's long history of Aboriginal story telling into a context of book It is a context that goes into the depths of our prehistory far beyond the printed page *The Surface of Meaning* is a tribute to Canadian books and publishing It is irresistible to readers who love books as well as to designers and others who may simply prefer to look at them      **The Journal of Commonwealth Literature**, 2005 One number each year includes Annual bibliography of Commonwealth literature      **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences**, 2003      **Gaps and the Creation of Ideas** Judith Seligson, 2021-03-08 Gaps and the Creation of Ideas An Artist's Book is a portrait of the space between things whether they be neurons quotations comic book frames or fragments in a collage This twenty year project is an artist's book that juxtaposes quotations and images from hundreds of artists and writers with the author's own thoughts Using Adobe InDesign for composition and layout the author has structured the book to show analogies among disparate texts and images There have always been gaps but a focus on the space between things is virtually synonymous with modernity Often characterized as a break modernity is a story of gaps Around 1900 many independent strands of gap thought and experience interacted and interwove more intricately Atoms textiles theories women Jews collage poetry patchwork and music figure prominently in these strands The gap is a ubiquitous phenomenon that crosses the boundaries of neuroscience rabbinic thinking modern literary criticism art popular culture and the structure of matter This book explores many subjects but it is ultimately a work of art      Canadian Who's Who 2008 Elizabeth
