Armageddon Now! Dwight Julian Wilson, 1975 **A Short History of Christian Zionism** Donald M. Lewis, 2021-08-31 Christian Zionism influences global politics especially U S foreign policy and has deeply affected Jewish Christian and Muslim Christian relations With a fair minded longitudinal study of this dynamic yet controversial movement Donald M Lewis traces its lineage from biblical sources through the Reformation to various movements of today *A History of the Apocalypse* Catalin Negru, 2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history
