**Around the World in 80 Years** Jack Nedell, 2012-09 There are 2 parts to the book The first section covers some of the important events that took place around the world from the early part of the 19th century up to the years following World War II It features the 2 men that I have always admired both of whom planned and fought against tyranny Neither of these men actually used weapons in the Second World War but they did what they had to do to preserve our freedom The 2 men are Sir Winston Churchill and my father both of whom had army careers dad s lasting for 31 years Churchill s was a much shorter span before he moved into Politics The second part of the book gives details of my travels around the world to 42 countries To do this I flew a total of 964 995 miles taking 1430 flights on 91 different types of aircraft In addition I have traveled far more than a million miles by car There were many times that I got very close to having my life cut short but somehow I managed to survive as I am still here at age 79 It was all very interesting to me and I hope that I have been able to convey some of this excitement in what I have written [Around the World in 80 Years](#) Jasmine Tritten, 2025 This book contains selected stories inspired by my travels worldwide and some of the two hundred thirty trips I have taken with my husband Jim during the last thirty five years I developed my interest in other cultures and languages as a little girl growing up in Denmark Geography and English were my favorite subjects I traveled with my parents around Europe and learned to speak five languages Danish English German French and Swedish in school My thirst for travel and adventure escalated with age and continued throughout my life Join Jasmine and Jim as they recount some of their travels and adventures during their journey **Around the World in 80 Years** **The Americana** Frederick Converse Beach, George Edwin Rines, 1912 [The United States Catalog](#) Mary Burnham, Carol Hurd, 1928 **The Encyclopedia Americana** , 1922 **The Popular Science Monthly** , 1877 **The Americana** , 1923 **The Sun** Charles Augustus Young, 1881 *Around the World in 80 Years* Ranulph Fiennes, 2024-03-07 The extraordinary life and adventures of the world s greatest living explorer perfect for fans of *The Moth* and *the Mountain and Touching the Void* On the eve of his 80th birthday Sir Ranulph Fiennes looks back at his remarkable life and adventures He s climbed Everest not long after a heart bypass operation he s run seven marathons on seven continents he s hauled loaded sledges across both polar ice caps and he s circumnavigated the earth Ran Fiennes truly is the world s greatest explorer and this book celebrates his 80th birthday by showcasing his greatest achievements in his own words Featuring interviews and tributes from his friends colleagues and admirers **Around the World in 80 Years** celebrates the incredible life of a legendary explorer PRAISE FOR SIR RANULPH FIENNES Always that little bit further and always the best It is why even to this day I remain in awe at all he has accomplished Bear Grylls His ground breaking expeditions have redefined what is possible but have also ignited a fire within the hearts of those seeking their own extraordinary journeys Levison Wood That sunny March day on top of the Eiger represented the beginning of the end of our days climbing together Looking at Ran s grizzly bearded face I was yet to realise what he had planted within me but I knew it
