Around The World In Eighty Days With Michael Palin:

Around the World in 80 Days Michael Palin, 2008 In the autumn of 1988 Michael Palin set out from the Reform Club to circumnavigate the world following the route taken by Phileas Fogg 115 years earlier But if the rules were simple nothing else was Palin s Passepartout was not a loyal French manservant but a five person BBC film crew there to record his every move Fogg brought back a princess Palin a lot of dirty laundry and a television series that stands as an unparalleled tribute to a man s ability to make life difficult for himself This book is the story of and the story behind the making of the series a no holds barred account of a journey that turned into a Great Twentieth Century Adventure **Around the World in Eighty Days** Michael Palin, 2024-04-18 The reason why the 80 day journey retains its appeal is that it is still the minimum time needed to go round the world and notice it To see it smell it and touch it at the same time More than a century on from Phileas Fogg s fictional adventure around the world Michael Palin sets out from the Reform Club to complete the route for himself The rules are simple but the rest of the journey will be far from straightforward *Around the World in Eighty Days* takes us on a rollicking trip across the globe in the company of one of our finest travel writers From train to ship to hot air balloon this is an unparalleled tribute to man s ability to make life difficult for himself **Monty Python** Douglas McCall, 2013-11-26 A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python both as a group and individually Coverage spans between 1969 the year Monty Python s Flying Circus debuted and 2012 Entries include television programs films stage shows books records and interviews Back matter features an appendix of John Cleese s hilarious business training films an index of Monty Python s sketches and songs an index of Eric Idle s sketches and songs as well as a general index and selected bibliography *Round About the Earth* Joyce E. Chaplin, 2013-11-19 Originally published in hardcover in 2012 *Focus On: 100 Most Popular English Male Comedians* Wikipedia contributors, *The Publishers Weekly* , 1995 *Jules Verne on Film* Thomas C. Renzi, 1998 Jules Verne Voila is a name that resonates with visions of fantastic adventures and images of exotic exploits In his voyages extraordinaires the noted French author integrates his encyclopedic knowledge of science and geography with his ability to tell fascinating and entertaining tales taking his readers on unprecedented journeys across the globe into the earth and out into space This revered writer who with his boundless imagination had hoped to contribute substantially to the world of letters has surpassed that expectation to become coincidentally a significant influence on film This comprehensive filmography not only offers an incisive analysis of Verne s epic creations but also presents an examination of the films inspired by his stories and characters If one tries to think of all the films adapted from the works of Jules Verne a fair sampling might be easy to come up with If one looks more closely at the plots and motifs of many other films science fiction and otherwise their origins are revealed to have been derived from Verne For example most film enthusiasts are familiar with Disney s *Twenty Thousand Leagues Under the Sea* and a few may even be aware of the 1916 silent version But Verne s classic undersea novel also

provided the underpinnings for such other movies as *Fantastic Voyage* 1966 and *Innerspace* 1987 The central arrangement is by Verne's title with a brief thematic analysis of the novel The entry then presents in chronological order all cinematic adaptations of that work allowing the user to make comparative analyses of not only the movies but also their relationships to Verne's original story Filmographic data are provided for each adaptation along with a plot synopsis that blends critical commentary with an examination of the connection between the movie and Verne's work Television Drama Series Programming Larry James Gianakos, 1992-08 For more than a decade Gianakos' comprehensive chronicles of American television dramatic programming have been considered classic references Following a descriptive and critical review for each period an exhaustive Days and Times section includes detailed listings for all dramatic specials Program sections for all seasons provide writer and director credits This is the long anticipated sixth volume □□□□□□□□□□ *Princess Sirindhorn* (daughter of Bhumibol Adulyadej, King of Thailand), 1995 On the author's trip to Great Britain and Switzerland in 1993 Television Discourse Nuria Lorenzo-Dus, 2009 With a helpful glossary and extensive guide to further reading *Television Discourse* is an invaluable resource for all those interested in studying language in the media *Books in Print*, 1994 The World Almanac and Book of Facts, 1993, 1992 **Paperbound Books in Print**, 1992 *Monty Python* Douglas L. McCall, 1991 For fans of the British comedy group who probably will be chuckling at memory evoked by simply perusing the 1157 chronological listings **Punch**, 1991 **The British National Bibliography** Arthur James Wells, 2000 *Ships Monthly*, 1992 *American Book Publishing Record*, 1995 Contemporary Theatre, Film and Television Thomas Riggs, 2007-08 Includes extensive biographical and career information on more than 20 000 professionals currently working in the entertainment industry BBC Worldwide, 1992
