Arranging In The Digital World:

Arranging in the Digital World, 2000 Digitale muziekbewerking met behulp van MIDI een systeem om elektronische instrumenten digitaal informatie te laten uitwisselen

Organizing Archival Records David W. Carmicheal, 2018-10-03
Much of our nation's documentary heritage resides in small historical societies libraries cultural organizations houses of worship and museums The preservation of this heritage often depends on the dedicated efforts of people who in their workaday world practice some profession other than archivist For twenty five years Organizing Archival Records has equipped non professional archivists to tackle the challenging task of arranging and describing archival materials The latest edition preserves the practical easy to follow step by step approach of earlier editions while updating its content to reflect current archival practices practical ways to arrange and describe digital records simple tools you can use to manage and store your descriptions whatever the level of your computer skills how to share your descriptions with others why provenance and original order are foundational to arrangement and description how the principles codified in SAA's Describing Archives A Content Standard can guide your arrangement and description process an expanded discussion of related topics including appraisal security safe handling of records storage conditions and what to do with all the records that were in your archives before you read Organizing Archival Records
