

# Characterization

Definition: The process by which the writer reveals the personality of a character. There are two types of characterization:

- **Direct Characterization:** The author *tells* the reader what the personality of the character is like.
- **Indirect Characterization:** The author *shows* things that reveal the personality of the character.
- How might an author use *direct* characterization to show the readers the Grinch's personality? How might he use indirect characterization?

# Characterization In Shakespeare

**Michael Hoelscher**

## **Characterization In Shakesapare:**

*Character and Characterization in Shakespeare* Leo Kirschbaum,1970

**Shakespeare** Leo Kirschbaum,2011-07

**Character And Characterization In Shakespeare** Leo 1907-1962

Kirschbaum,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

*Shakespearean Characterization* Leslie O'Dell,2001-10-30 Shakespeare s plays were written some four hundred years ago and while his characters are enduring they are also alien In grappling with the text of his plays the modern actor must bring Shakespeare s Renaissance characters to life for a modern audience And while it is difficult enough for twentieth century spectators to make sense of the plays it is also hard for modern actors to understand the Elizabethan world that created the personalities so vividly sketched in Shakespeare s texts This reference is a convenient and practical guide for actors faced with the task of playing Shakespeare s characters The volume begins with an overview of Elizabethan theatrical conventions including the training of actors It then looks at the dramatic tradition of personification which Shakespeare s world inherited from the medieval stage Later chapters give special attention to how language reveals character and to the social and cultural contexts of the Renaissance Throughout the emphasis is on how to translate Shakespeare s text into action on the stage While the volume contains much useful information that information is presented to meet the special needs of theater professionals

**Character and Characterization in Shakespeare** Leo Kirschbaum,2003-01-01

[Character and Characterization in Shakespeare](#) Leo 1907- Kirschbaum,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Character as a Subversive Force in Shakespeare** Bernard J. Paris,1991 Shakespeare s history and Roman plays are usually discussed in terms of their political

themes their leading characters are imagined human beings who must be understood in motivational terms Analyzing these characters with the aid of modern psychology the theories of Karen Horney this story attempts both to make sense of inconsistencies within the plays and the controversies they have produced Shakespeare's Sense of Character Michael W. Shurgot,2016-04-01 Making a unique intervention in an incipient but powerful resurgence of academic interest in character based approaches to Shakespeare this book brings scholars and theatre practitioners together to rethink why and how character continues to matter Contributors seek in particular to expand our notions of what Shakespearean character is and to extend the range of critical vocabularies in which character criticism can work The return to character thus involves incorporating as well as contesting postmodern ideas that have radically revised our conceptions of subjectivity and selfhood At the same time by engaging theatre practitioners this book promotes the kind of comprehensive dialogue that is necessary for the common endeavor of sustaining the vitality of Shakespeare s characters Shakespeare's Stylistic Means of Characterization as it Appears in The Merchant of Venice and Othello, the Moor of Venice Izetta Winter Robb,1928

**Character Problems in Shakespeare's Plays** Levin Ludwig Schücking,1922 **Shakespeare and Character** P. Yachnin,J. Slights,2015-12-04 Shakespeare and Character brings together leading scholars in theory literary criticism and performance studies in order to redress a serious gap in Shakespeare studies and to put character back at the centre of our understanding of Shakespeare s achievement as an artist and thinker **Shakespeare's Pluralistic Concepts of Character** Imtiaz H. Habib,1993 The presentation of a complex character such as Shylock bears resemblance to the technique of anamorphic portraiture and trick perspective in the sense that seen one way he appears a villain but seen another way he appears a persecuted victim The clashing and merging of opposed frames of ideological reference that cannot be held apart or resolved and that remain in a kind of uneasy balance may be a technique of comic characterization that exploits relativism and ambiguity in the presentation of human personality and self on stage A similar technique can be seen at work in the Histories in the characters of Richard and Bolingbroke who as has long been noted compete contrarily for the audience s ideological sympathies over the course of the play **Essays on Some of Shakespeare's Dramatic Characters** William Richardson,1797 **Shakespeare's Rhetoric of Comic Character** Karen Newman,2013-10-11 First published in 1985 In this revisionist history of comic characterization Karen Newman argues that contrary to received opinion Shakespeare was not the first comic dramatist to create self conscious characters who seem lifelike or realistic His comic practice is firmly set within a comic tradition which stretches from Plautus and Menander to playwrights of the Italian Renaissance **Glossary and Index of Characters to Shakespeare's Works Complete from the Best Authorities** ,1899 Shakespeare's Sense of Character Michael W. Shurgot,2016-04-01 Making a unique intervention in an incipient but powerful resurgence of academic interest in character based approaches to Shakespeare this book brings scholars and theatre practitioners together to rethink why and how character continues to matter Contributors seek in particular to

expand our notions of what Shakespearean character is and to extend the range of critical vocabularies in which character criticism can work The return to character thus involves incorporating as well as contesting postmodern ideas that have radically revised our conceptions of subjectivity and selfhood At the same time by engaging theatre practitioners this book promotes the kind of comprehensive dialogue that is necessary for the common endeavor of sustaining the vitality of Shakespeare s characters

**Shakespearean Character** Jelena Marelj,2019-01-24 Why do we continue to experience many of Shakespeare s dramatic characters as real people with personal histories individual personalities and psychological depth What is it that makes Falstaff seem to jump off the page and what gives Hamlet his complexity Shakespearean Character Language in Performance examines how the extraordinary lifelikeness of some of Shakespeare s most enigmatic and self conscious characters is produced through language Using theories drawn from linguistic pragmatics this book claims that our impression of characters as real people is an effect arising from characters pragmatic use of language in combination with the historical and textual meanings that Shakespeare conveys to his audience by dramatic and meta dramatic means Challenging the notion of interiority attributed to Shakespeare s characters by many contemporary critics theatre professionals and audiences the book demonstrates that dramatic characters possess anteriority which gives us the impression that they exist outside of and prior to the play texts as real people Jelena Marelj s study examines five linguistically self conscious characters drawn from the genres of history tragedy and comedy which continue to be subjects of extensive critical debate Falstaff Cleopatra Henry V Katherine from The Taming of the Shrew and Hamlet She shows that by inferring Shakespeare s intentions through his characters verbal exchanges and the discourses of the play the audience becomes emotionally involved with or repulsed by characters and it is this emotional response that makes these characters strikingly memorable and intimately human Shakespearean Character will equip readers for further work on the genealogy of Shakespearean character including minor characters stock characters and allegorical characters

**Shakespeare: his life, art, and characters. With an historical sketch of the drama in England** Henry Norman Hudson,1888

**The Different Representations of Lady Macbeth's Character in Shakespeare's Tragedy and in Kurzels Adaptation** Elli Elsan,2021-07-16 Seminar paper from the year 2019 in the subject English Language and Literature Studies Literature grade 1 7 University of Bonn language English abstract This term paper will focus on Kurzels adaptation more precisely it will focus on one of Shakespeare s most controversial characters Lady Macbeth Reading Shakespeare offers the reader the opportunity to interpret Lady Macbeth in different ways While some adaptations present Lady Macbeth as an evil woman who has a masculine side others present her more as a potent person and give her an empowering touch there are also people who might see her as a victim of her devotion to her husband Focusing on the female gender this paper will analyse and compare how Lady Macbeth is presented and illustrated in Shakespeare s original play and in Kurzels Adaptation First the paper is going to give a general overview on Feminist Theory by introducing key terms that are significant for the

analysis Then it will give a short overview of the characteristics of an ideal Elizabethan woman The main part will focus on two scenes in which Lady Macbeth is actively present After deconstructing the selected Lady Macbeth scenes in the source text and in the adaptation it will compare them to each other Therefore the main part of this paper will analyse the character of Lady Macbeth by focusing on the female gender and comparing how she is represented in the book and in the movie It will pay attention to the historical context speech gestures and mimics but also on costumes and setting William Shakespeare was an English poet and playwright who wrote his poems and plays during the Renaissance He is known for his various works of literature Sonnet 18 Romeo and Juliet and Hamlet are only a few examples of his famous works His unique plays are dealing with different topics showing wide knowledge of human behavior expressed through a vast range of characters Shakespeare s works are still read and taught not only in school and university but also play a role in our daily lives his topics are still relevant today According to the Guinness Book of World Records Shakespeare s plays and sonnets have been adapted into more than 420 films and TV Movie versions Macbeth was filmed 37 times The most recent Macbeth adaptation is from 2015 by Justin Kurzel

**Shakespeare : His Life, Art, and Characters** Henry Norman Hudson,1902

## The Enigmatic Realm of **Characterization In Shakesapare**: Unleashing the Language is Inner Magic
