Charles Frohman Daniel Frohman, 2015-07-24 One day he went for a walk in the woods. He passed a young girl of rare and appealing beauty. Their eyes met, they paused a moment, irresistibly drawn to each other. Then they went their separate ways. He inquired her name and found that she was Barbara Strauss and lived not far away. He sought an introduction but before it could be brought about he left home to make his fortune in the New World. He was eighteen when he stepped down the gang plank of a steamer in New York in 1845. He had mastered no trade, he was practically without friends, so he took to the task which so many of his co-religionists.

The Life of Robert Loraine Lanayre D. Liggera, 2013-08-15 Robert Loraine was born in a period when technology exploded into a world whose keyword was Progress. Both he and his lifelong friend George Bernard Shaw believed they were in an evolutionary period of humanity. Born into a theatrical family, he understood its clashes of temperament and competition for the attention of the audience. He was fortunate to be playing in London by age twenty-one and secured lead roles two years later. Thus it was incomprehensible to his peers when he volunteered to fight in the Boer War. After his year of service, he heeded his father's advice: first conquer London and then America. He accepted a contract from Daniel Frohman in New York. Four years of dusty old plots made him yearn for something new, something he found in Shaw's *Man and Superman*. A two-year tour in the role of John Tanner led him to professional and financial success. The lust for something new also led him into pioneer aviation. Visualizing the aeroplane's unlimited potential, he challenged the theory that flight could only take place in calm weather by flying through a raging thunderstorm. Ever of a military mind, he also demonstrated the machine's capacity for scouting in military maneuvers. With political stormclouds closing in again in 1914, Robert volunteered six days before his country

declared war on Germany Dispatched to the Royal Flying Corps he served all four years of the war rose to the highest rank of any civilian and was gravely wounded twice Robert married at age forty five but the compromises of domesticity did not come easily to him His young wife Winifred suffered through the downward spiral of an aging actor The 1930s brought the Great Depression and he returned to the United States attempting to make money on Broadway or in Hollywood When he finally returned to England in November 1935 he died two days before Christmas

Peter Pan on Stage and Screen, 1904-2010, 2d ed. Bruce K. Hanson, 2011-08-10 Recounting the more than century long stage and screen history of J M Barrie s play Peter Pan Bruce K Hanson updates and expands his 1993 volume on The Boy Who Wouldn t Grow Up Hanson traces the origin of Barrie s tale through the first London production in 1904 to various British and American theatrical and film productions up to and including the stage versions of 2010 Included are excerpts of interviews with actresses Dinah Sheridan Mary Martin and Sandy Duncan all of whom portrayed Peter Pan on stage and Betty Comden and Adolph Green lyricists for the 1954 Broadway musical The book features a wealth of rare photos posters programs and costume designs An appendix lists virtually every actor who has performed a featured role in a London Broadway or Hollywood production of Peter Pan from 1904 to the present
