*The Armageddon Network* Michael P. Saba, 1984      *Disciples of Destruction* Charles W. Sutherland, What's going on in the world Every day we hear more horror stories about the wars in the Middle East Americans are afraid to travel world wide because of their justified fears of terrorism And here at home we watch with amazement as the fundamentalists battle over control of a TV empire riddled with sex and drugs with a scenario that makes prime time television look tame As money sex and power once again take their toll *Disciples of Destruction* examines religion itself and the role it has played since time as we know it began Sutherland uncovers and analyzes the real ramifications of organized religion and its devastating effects on Western civilization *Disciples of Destruction* is packed with little known vignettes that are sure to astonish amuse and sometimes even outrage the reader Few will fail to be drawn in by the account of the Corpse Synod in which a Pope's body was exhumed put on trial for high crimes and subsequently dragged through the streets of Rome or shocked by the plausible contention that Albino Luciani elected Pope John Paul I in 1979 but destined to reign for only 33 days did not die a natural death but was in fact assassinated Sutherland convincingly concludes that organized religion even today maintains the proclivities of its barbaric origins as Israeli expansionism the Vatican's obsession with its financial empire the atrocities of Khomeini's Islamic Republic and Marxist militarism and repression amply demonstrate These proclivities updated to our century indicate that while the long battle to liberate the mind from the fear of tyranny continues the slow process of slaying the dragons of mythology is not keeping step with the pace of nuclear weapons development and deployment which accelerates in the context of an equally explosive growth of religious fundamentalism Unchecked this makes armageddon the easiest prophecy to fulfill      ARMAGEDDON'S SONG 3 'FIGHT THROUGH' ANDY FARMAN, 2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release      **Israeli Foreign Affairs**, 1984      **Patriots and Profiteers, Second edition** R.T. Naylor, 2009-07-15 Almost everyone assumes that by enforcing trade sanctions and arms embargoes modern democracies make tin pot dictators and rogue states mend their ways that the application of economic pressure is easily the most effective way to curb aggression and encourage respect for human rights R T Naylor demonstrates that economic warfare fails almost everywhere it is attempted and that even when it succeeds it has consequences that are not only unintended but also frequently the precise opposite of their advertised result For instance embargoes drove Cuba into the awkward embrace of the Soviet Union Everywhere that economic pressures have been used to either replace or augment military actions the result has been confusion leading to criminality From east

to west from before WWI to the recent confrontations with Pakistan Bosnia and Iraq the legacy of economic warfare has been money laundering gun running drug smuggling and evasion of the rule of law Naylor s approach is at once epic and anecdotal His survey is populated by a bizarre underworld of warriors and smugglers gangsters and spies whose singular careers would be comic if they weren t absolutely real *9/11-Enemies Foreign and Domestic* Edward Hendrie,2011 Hendrie proves beyond a reasonable doubt that the U S government s conspiracy theory of the attacks on September 11 2001 is a preposterous cover story The evidence proves that powerful Zionists ordered the 9 11 attacks which were perpetrated by Israel s Mossad aided and abetted by treacherous high officials in the U S government **Armageddon** Eugene William Löhrke,1930 [The Bloomsbury Review](#) ,1984 **Ex Auditum - Volume 06** Robert A.
