## **Army At War:**

**The Indian Army at War 1947-99** Mandeep Singh, 2025-12-18 This absorbing study describes and illustrates the Indian Army forces who fought in five wars during the second half of the 20th century [The Army at War](#) United States. War Finance Division, 1944 [The Australian Army at War](#) Australian Army Staff, 1997 [Patton's Third Army at War](#) George Forty, 2015-04-19 The story of Gen George S Patton's magnificent Third Army as it advanced across Nazi occupied Europe and into Hitler's redoubt. Includes photos. As America's own answer to the Blitzkrieg, Third Army's actions from the Normandy coast across France and Germany to Austria gave a new dimension to the term fluid warfare. They only needed one general order to seek out the enemy trap and destroy them. This they did relentlessly, overcoming every obstacle thrown in their way. Third Army's story is one of teamwork of armor, infantry, and aircraft working together with a perfection that amazed even the Germans who'd always considered themselves the masters of the mobile offensive. Though Third Army is often remembered for its tank spearheads like the 4th Armored Division, these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success. It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting. When a German counteroffensive nearly burst through the US lines in the Ardennes, it was Patton's Third Army that turned on its heel and immediately drove in the Bulge, ending Hitler's last great hope for success in the west. Afterward, nothing could stop it as it crossed the Rhine and overran the Reich. Much of Third Army's greatness, driving force, and will to win was owed to one man: Gen George Smith Patton Jr. and a significant part of this book is devoted to him alone. In these pages, a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton's men. Full of eyewitness accounts, photographs, and maps, it relates the full story of how America's most dynamic fighting formation led the Allied effort against the Nazis, seemingly invincible European empire.

**Army at War** Robert Kanigher, Joe Kubert, 2007 Over 500 pages of classic adventures are included in this value-priced volume. War is hell, and no one knows that better than Sgt Rock and the fighting men of Easy Company. These classic tales of World War II take readers deep behind enemy lines where Easy Company never has it easy because battle can break out at any moment. These are the stories that introduced the man they call Rock and the colorful members of his platoon, including Wildman, Ice Cream Soldier, Bulldozer, and more, as they face the enemy in one hopeless situation after another.

**Colossus Reborn** David M. Glantz, 2005 Beyond the battles themselves, Glantz also presents an in-depth portrait of the Red Army as an evolving military institution. Assessing more clearly than ever before the army's size, strength, and force structure, he provides keen insights into its doctrine, strategy, tactics, weaponry, training, officer corps, and political leadership. In the process, he puts a human face on the Red Army's commanders and soldiers, including women and those who served in units: security, NKVD, engineer, railroad, auto transport, construction, and penal forces that have till now remained poorly understood. **BOOK JACKET** [The Army at War](#), 1941\*
