Growing Up Army Robert R Heath,2023-08-22 Experiencing the differences in how other people lived has always been one of the great benefits all of us Brats express when talking about growing up Army When Dick Heath proposed to Jinny his girlfriend of two years offering to provide her with her own kindergarten sized family if she would quit teachers college to be his wife he wasn't kidding As the nine members of said kindergarten arrived in several places around the US and the world they proved to be an Army Brat Platoon of curious energetic and fun loving Brats None of the foreign places to which Dick was stationed slowed down the Brats adventures even as they witnessed historically significant events all over the globe In this hilarious and engaging military memoir Robert R Heath Sr recounts his time growing up as the third of nine Army Brats and learning that survival comes in many shapes and sizes

The Old Gray Mare John S Eberhardt,2005 The 112th Field Artillery Regiment Horse Drawn was a New Jersey Army National Guard unit called into active military service in January of 1941 The Old Gray Mare describes life in this unit the Army's last horse drawn field artillery unit through the eyes of a young lieutenant during the Plattsburg Training Maneuvers in 1939 and during the 112th's post activation training at Fort Bragg North Carolina The Old Gray Mare provides an insightful picture of the daily routine in garrison and the field of a horse unit during what proved to be the final year of its existence It describes the close bonds formed between men and their horses the care and handling required to maintain a well trained horse artillery unit the pride and professionalism developed by serving the guns and the archaic social environment that surrounded this elite formation It gives witness to the dreaded man and horse killing stampede of crazed animals as well as the excitement of the polo field that was so much a part of the fabric of the horse artillery The Old Gray Mare is a light and entertaining book that gives a nostalgic view of a military unit forced out of existence by advances in technology at the beginning of World War II It is an interesting and unique snapshot of a time and a life style that no longer exists

Michael G. Cerepanya,2016-07-13 In the decade following World War II the time of the Baby Boomers life was much different than today for the children growing up There was almost unlimited freedom for kids They could go out and play without parental supervision Be home for lunch or Be home by ten was often the only restrictions they had during the summer or weekends during the school year It didn t matter if they lived in small towns in the Midwest the cities of the east coast or on military bases in the United States or Europe They had plenty of friends to play with and the dangers of drugs or abduction wasn t even on their radar The biggest fear of the day was whether or not the commies would release the A Bomb on American cities Rock n Roll was taking over the sound waves and baseball was the national pastime It was a great time to be alive Europe was rebuilding after the war and the United States had a huge presence in Europe especially in Germany Growing up on military bases during the 50s and 60s left the door wide open for adventures and hijinks on a grand scale **Army Brats** is a story of a young boy growing up as a military dependent during that time **Army Brat, Army Bride, Civilian: a Life** Darlene Gravett,2013-11-19 Army Brat Army Bride Civilian A Life reveals the ups and downs of military living through the experiences of one who was both a sergeants daughter and an officers wife The military teaches many lessons but not how to transition to civilian life after more than thirty years of moving around in the Army including attending five different high schools as a teenager While in the Army families learn to adapt to renting or buying an apartment or house in town or to being assigned a set of Army quarters on a military post If in quarters they must not paint walls or install carpet or leave holes in walls where pictures used to hang Although the Army is a highly structured organization flexibility is a key word for its families Dealing with snafus making decisions which seem right at the time but turn out to be trumped by the demands of the military adjusting to new places and making new friends every two to three years are all part of living the military life Yet the adventure and excitement of this life are evident throughout **The Abomination** Jonathan Holt,2013-06-18 It is midnight on the feast day of La Befana and Venice is celebrating But on the steps of Santa Maria there is a deathly hush A body has washed up from the Grand Canal a woman wearing the robes of a Catholic priest a desecration known as the Abomination This is Captain Katerina Tapo s first murder case The trail leads her from the labyrinthine back streets of Venice to an abandoned asylum on the uninhabited island of Poveglia to carnivia com an encrypted gossip website holding the city s secrets to an ancient Catholic monastery and finally to an American military base Along the way she makes uneasy allies of Lieutenant Holly Boland a young U S army intelligence officer with unique ties to the country in which she s been stationed and Daniele Barbo a reclusive and brilliant Venetian aristocrat turned computer hacker who operates and fiercely protects carnivia com Then suddenly the trail goes cold Evidence goes missing and Kat is ordered to close the case What follows is the unravelling of a dark and powerful conspiracy with sinister roots in post Cold War Italy that will test loyalties Kat did not know she had She understands that old crimes cannot be forgotten and that left unpunished corrupt forces will continue to repeat their sins **Tears On My Pillow** Narelle Biedermann,2011-10-26 Don t forget your cotton

underwear girls Most books that look at the involvement of Australians in the Vietnam War rarely allude to the role of nurses But war and nursing are unequivocally linked A total of 43 Australian Army nursing sisters were sent to Vietnam between April 1967 and November 1971 undertaking tours of up to 12 months The nurses were assigned to a military hospital in a war zone with little advanced preparation particularly as clinicians with exposure to trauma critical care or theatre The contribution of these women undoubtedly affected many soldiers in profound ways Tears on My Pillow describes the experiences of nursing in the Vietnam War using the words voices and photographs of these servicewomen These veterans tell tales of femininity interspersed with the reality of the military environment through their stories of trauma distress tears and grief that went on for many years and stories of underwear fun and the basic things in life **Army and Navy Register** ,1957 Growing Up an American Muslim Army Brat Julde Ball,2019-12-04 Go back to your country You do not belong here in the United States because you re a terrorist Harsh statements like these have been echoed towards Julde Jul DAY a former United States Army brat but these statements transpired after Julde began wearing the hijab in 2014 Just like many other American families Julde s family suffered the aftermaths of the 9 11 attack especially because her dad joined a continual war for six months out of every year Many people do not view Muslims as equally threatened by the 9 11 attacks provided that the War on Terror is illustrated as a war against the entire Muslim faith however this is not true because during the late 1990s Julde joined other Muslim military families on base to pray eat Iftar dinner and attend Jumma services The women in Julde s family openly wore their hijab but soon they slowly detach from wearing their hijab to later become untraditional Muslim women And it appeared at that moment being Muslim at heart was good enough Julde acquired some of her basic knowledge of Islam through military spouses who taught her to read in Arabic explained various narratives of the Quran and offered her valuable words of advice Fitting in as a child was difficult being that Julde evidently did not celebrate Christmas Kwanza Easter nor other prevalent holidays at school After classmates questioned Julde s participation in holiday celebrations they grasp an unexpected discovery that she is Muslim This often led Julde to feel lonely as a U S Army Brat as if Military brats do not have enough obstacles to face like continually changing their neighborhood public schools and friends every few years Now as an adult Julde Ball wears her hijab to complete her Islamic faith and she undergoes a difference in how people treat her Despite being cursed out pushed kicked or ignored Julde maintains wearing her hijab The United States is Julde s country and as well as many other American Muslims who look like her Julde wishes that her story can bring about future change for American Muslims **What Every Army Wife Should Know** Betty Kinzer,Marion Leach,1966 **The Quartermaster Review** ,1958
