Re/Imagining Depression Julie Hollenbach, Robin Alex McDonald, 2021-09-21 What is depression An imagined sun bright and black at the same time A noonday demon In literature poetry comics visual art and film we witness new conceptualizations of depression come into being Unburdened by diagnostic criteria and pharmaceutical politics these media employ imagery narrative symbolism and metaphor to forge imaginative exploratory and innovative representations of a range of experiences that might get called depression Texts such as Julia Kristeva's Black Sun Depression and Melancholia 1989 Andrew Solomon's The Noonday Demon 2000 Allie Brosh's cartoons Adventures in Depression 2011 and Depression Part Two 2013 and Lars von Trier's film Melancholia 2011 each offer portraits of depression that deviate from or altogether reject the dominant language of depression that has been articulated by and within psychiatry Most recently Ann Cvetkovich's Depression A Public Feeling 2012 has answered the author's own call for a multiplication of discourses on depression by positing crafting as one possible method of working through depression as impasse Inspired by Cvetkovich's efforts to re shape the depressive experience itself and the critical ways in which we communicate this experience to others Re Imagining Depression Creative Approaches to Feeling Bad harnesses critical theory gender studies critical race theory affect theory visual art performance film television poetry literature comics and other media to generate new paradigms for thinking about the depressive experience Through a combination of academic essays prose poetry and interviews this anthology aims to destabilize the idea of the mental health expert to instead demonstrate the diversity of affects embodiments rituals and behaviors that are often collapsed under the singular rubric of depression

Oahspe, a New Bible in the Words of Jehovih and His Angel Embassadors John Ballou Newbrough, 1891

Oahspe John Ballou Newbrough, 1910

Angels Michel Serres, 1995 In this new work Michel Serres France's foremost philosopher of science explores how traditional images of angels in art and legend foretell the preoccupations of modern life Divided as between Heaven and Hell into First and Third Worlds our societies search for ways to make contact both by means of the most basic interpersonal relations and high tech communications The role of the messenger Serres argues is as important now as it was in Biblical times perhaps more and yet we lack a philosophy which can explain this role a philosophy of movement of communication Angels A Modern Myth offers such a philosophy showing how angels as message bearers are still part of our modern world our means of bringing together and understanding science law and religion and perhaps also the means of satisfying our need for reason justice and consolation Abundantly illustrated with an astounding breadth of images ranging from Renaissance paintings to film stills satellite photographs computer microchips and medical microscopy this thought provoking book addresses some of the most crucial issues of our time and will make essential reading for anyone seeking to

comprehend the new phase of human development engendered by the transformation of our world by information technology

Oahspe: A New Bible John Ballou Newbrough, 2023-12-26 In *Oahspe A New Bible* John Ballou Newbrough presents a unique theological text that blends spiritual revelations with philosophical and cosmic narratives challenging conventional notions of morality and divinity. Written in a distinctive style that oscillates between poetic and prophetic language, Newbrough's work underpins a vision of a unified spiritual existence transcending the boundaries of organized religion. Drawing on esoteric traditions and the emerging spiritualism of the late 19th century, *Oahspe* also incorporates detailed mythologies and cosmologies, reshaping the reader's understanding of humanity's place in the universe. John Ballou Newbrough, a 19th-century American visionary and spiritualist, wrote this text amidst a growing interest in alternative religious movements and metaphysical thought. His own spiritual experiences, often described as direct communications with higher beings, profoundly influenced his writings. Newbrough's multifaceted background as a healer, inventor, and author reflects a quest for understanding that transcended conventional religious doctrines, motivating him to create a new scripture intended to promote unity, enlightenment, and personal responsibility. I highly recommend *Oahspe A New Bible* to readers who seek an unconventional spiritual text that invites contemplation and exploration of unseen realms and human potential. Newbrough offers a profound and original perspective that encourages questioning and redefining spirituality for modern society. In this enriched edition, we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

Consorting with Angels Deryn Rees-Jones, 2005 In this pioneering study, Deryn Rees-Jones argues that the poetic traditions of the 20th century must be radically rethought in light of the formal and thematic experimentation of three generations of women poets. [Oahspe](#) John Ballou Newbrough, 2023-12-21 In *Oahspe A New Bible in the Light of Modern Science*, John Ballou Newbrough presents a complex and multifaceted narrative that interweaves spiritual philosophy, cosmology, and detailed accounts of the angelic and celestial realms. This unique work, written in a stylistic combination of sacred scripture and poetic prose, aims to provide a synthesis of various religious traditions while promoting a universal truth that transcends societal divides. Newbrough's text is notable for its rich allegorical content alongside its ambitious endeavor to articulate a new spiritual paradigm informed by contemporary science, reflecting the intellectual currents of the late 19th century and the burgeoning spiritualism movement. John Ballou Newbrough, an American author, spiritualist, and psychic, was deeply influenced by the spiritualist revival of his time, which sought to explore the boundaries of consciousness and the nature of existence. His background, encompassing a blend of Eastern and Western religious thought and his visionary experiences,

fueled his ambition to compose a new religious text that would challenge conventional beliefs and empower individuals to seek direct communion with the divine Newbrough's own life journey marked by perplexity and enlightenment equips him with a unique perspective on the metaphysical themes addressed in Oahspe Oahspe is an essential read for anyone interested in the intersections of spirituality religion and metaphysics It offers a provocative exploration of divine wisdom and cosmic order inviting readers to ponder the nature of existence and their place within the universe As both a work of art and a philosophical treatise it holds relevance for modern readers seeking to understand the spiritual dimensions of life
