Charles Rex:

Charles Rex Ethel May Dell,2006-07 I shall go to sea to morrow said Saltash with sudden decision I m tired of this place Larpent fed up on repletion Then by all means let us go my lord said Larpent with the faint glimmer of a smile behind his beard which was the only expression of humour he ever permitted himself Believe you re fed up too said Saltash flashing a critical look upon him Captain Larpent said nothing deeming speech unnecessary All time spent ashore was wasted in his opinion Saltash turned and surveyed the sky line over the yacht s rail with obvious discontent on his ugly face His eyes were odd one black one grey giving a curiously unstable appearance to a countenance which otherwise might have claimed to possess some strength His brows were black and deeply marked He had a trick of moving them in conjunction with his thoughts so that his face was seldom in absolute repose It was said that there was a strain of royal blood in Saltash and in the days before he had succeeded to the title when he had been merely Charles Burchester he had borne the nickname of the merry monarch

Charles Rex Ethel M. Dell,2014-12-07 Hours later when the fete was over and the shore quite silent under the stars he came alone along the quay moving with his own peculiar arrogance of bearing a cigarette between his lips a deep gleam in his eyes It had been an amusing night after all Crossing the gangway to his yacht The Night Moth that rocked softly on the glimmering ripples he paused for a moment and turned his face as if in farewell towards the little town that lay sleeping among its cypress trees So standing he heard again the tinkle of a lute from some hidden garden of delight It was as if the magic were still calling to him luring him reaching out white arms to hold him He made a brief bow towards the sound Adieu most exquisite and most wicked he said I return no more

Charles Rex Ethel Dell,2021-09-08 Book Excerpt which a myriad coloured lights rocked and swam And still his features wore that monkeyish look of unrest of discontent and quizzical irony oddly mingled He felt the lure but it was not strong enough Its influence had lost its potency He need not have been alone He had left the hotel with friends but he had drifted away from them in the crowd One of them a girl had sought somewhat palpably to keep him near her and he had responded

with some show of ardour for a time and then something about her had struck a note of discord within him and the glamour had faded Little fool he murmured to himself She d give me her heart to break if I d have it And then he laughed in sheer ridicule of his own jaded senses He recognized the indifference of satiety An easy conquest no longer attracted him He began to stroll towards the quay loitering here and there as if to give to Fates a chance to keep him if they would Yes Sheila Melrose was a little idiot Why couldn t she realize that she Read More *Charles Rex (Esprios Classics)* Ethel M.
