your best friend?

In our weekly experiment, single people who are looking for a partner ask their mother and their best friend to help.

This week's single person is Charlotte Ramirez, a 25-year-old web designer. Her father is Spanish and her mother is English. She lives in Brighton and she doesn't have a partner at the moment. Her mother, Alice, chooses a man she thinks is perfect for her daughter and her best friend, Katie, chooses another. Then Charlotte goes on a date with each man. Which one does she prefer?

I love going to the cinema, but I often **feel like** staying at home with a good book," says Charlotte. "I'm quite friendly and **sociable** and I **get on well** with most people. I think I have a good **sense of humour**."

"What kind of men do I like? Well, I like interesting men who can make me laugh. Physically, I prefer men with a really nice **smile** who are taller than me. And I don't usually like men with beards! I like men who **are into** literature and art, and classical music."

"I'm not sure who is going to choose better for me. Both my mum and my best friend know me very well. Perhaps Katie could find me a **guy** who is physically more **compatible**, but my mother has known me for longer!"
