

FLU-STRIKEN **Bonnie Tyler** last week overhauled **Michael Jackson** to capture the number one spot for the first time in her career with *Total Eclipse Of The Heart*. That's a three place improvement on the peak attained by **Bonnie's** previous biggest hit, 1977's *It's A Heartache*.

They'll certainly keep a welcome in the hitboxes for **Bonnie** who's only the third **Welsh** lady to land a number one following **Shirley Bassey** (1959 and 1961) and **Mary Hopkin** (1968). **Tyler's** raunchy rock 'n' roll stance is some distance from the folksy style of **Hopkin** or **Bassey's** over-dramatic ballads. Indeed, despite her protestations to the contrary, **Ms. Tyler** is cultivating an overtly rock persona, and, to that end, she has taken to telling the press that *Lost In France* was her first single, conveniently overlooking a trashy piece of candy floss called *My My Honeycomb* which actually marked her recording debut in 1976. *Lost In France* was the follow-up to that record and was a substantial hit justifying **RCA's** extravagant gesture in flying a plenitude of journalists to Paris to meet **Bonnie**.

Total Eclipse is also the first number one for composer **Jim Steinman** whose previous personal best was the No. 15 peak of *Bar Out Of Hell* which he wrote for **Meat Loaf** in 1979.

THE NAME GAME. Researchers for the syndicated **US** radio programme *American Top Forty* recently surveyed top forty hitmakers to find out the most common surname amongst soloists who've made the **US** chart in the last twenty five years. Despite strong opposition from the massed ranks of **Jacksons, Joneses, Kings, Marrins, Williams** and **WilcoAs** the surname shared by more hitmakers than any other turned out to be **Brown**. Inspired by this March madness, **Chartfile** has conducted a similar survey of the **British** singles chart. The surname which emerged head and shoulders above the rest has featured in the chart courtesy of **Andy, Billy, Danny, Denise, Diana, Don, Iris, two different Johns, Kenny, Larry, Lenny** and **Mason**. That's a grand total of thirteen soloists who've earned the name of **Williams** into the chart. Runners-up were the **Joneses** (10) followed by **Miller, Harris** and **Jackson** with eight each. **US** champions, the **Browns**, totalled only six, though there were also three **Brownies**.

A bizarre variation of the name game occurred in 1960 when an **Englishman** and a **Yankee** whose names differed by just one letter vied for **US** chart honours with similar versions of the same song.

BONNIE TYLER: a great debut scandal

The **Englishman** was **Garry Miles** whose original version of *Look For A Star* had been recorded originally for the excellent **British** horror movie *Circus Of Horrors*. It became very popular here and was soon climbing the charts. Then, in a complete reversal of the normal pattern —

British acts regularly put out quick-fire covers of **American** material — two **American** artists recorded *Look For A Star* for the **American** market. One was an instrumental version by veteran saxophonist **Billy Vaughn** and the other was by **Burr Cason**, a member of the **Statues**. **Cason's** recording of *Look For A Star* was released under the name **Garry Miles**. Faced with two similar versions of the same song by singers named **Garry Miles** and **Garry Miles** caused not a little confusion to **American** record buyers. Eventually **Miles** (**Cason**) pulled clear, peaking at No. 16, a full ten places clear of his **British** rival, and three places higher than **Billy Vaughn**. A few years later **Cason** co-wrote *Love Affair's* number one, *Everlasting Love*.

In 1978, it was the **British** public's turn to be confused as the **Jacksons** brought out a version of **Englishman** **Mick Jackson's** *Blame It On The Boogie*. Both records became top

twenty hits and, though **Mick Jackson** slugged the group for their shabby opportunism, it's probably true to say that he did very well out of the fracas. Certainly many people bought his record expecting it to be sung by the better-known **Michael Jackson**.

There have been many cases of individuals with the same name appearing in chart-making acts simultaneously including three very recent examples. **Kid Creole** is the name of the man who's steered the **Coconuts** to several hits, but it's also the name of a member of **Grandmaster Flash's Furious Five**. **Mick Jones** is the name shared by **Foreigner's** lead guitarist and the **Clash's** lead guitarist, **Roger Taylor** is a name which causes confusion at **EMI**, being the name shared by drummers with two of the company's top groups, **Queen** and **Duran Duran**. Nor is that the only confusion surrounding **Duran Duran**, besides **Roger Taylor**, the group also includes **John** and **Andy Taylor**...

The **Irish** influx mentioned in last week's **Chartfile** continues to gather pace. The arrival of the **Undertones** in the singles chart brings the **Irish** contingent to seven. In the album chart last week's two highest new entries were also by **Irish** groups. **Thin Lizzy's** *Thunder And Lightning* entered at No. 4, and **U2's** *War* made a spectacular debut, capturing the number one spot from **Michael Jackson**. The first **Irish** act to reach number one on the album listings was **Gilbert O'Sullivan** who did so in 1973 with *Back To Front*.

Michael Omartian, best-known for his work with **Christopher Cross**, has been contracted to produce **Donna Summer's** next album much to the displeasure of **Donna's** current producer **Quincy Jones**. **Omartian**, who makes albums of his own for a small religious label, plans to team **Summer** and **Cross** in a duet if **Cross's** schedule allows. More definite is the duet between **Meat Loaf** and **Dale Gribble**, the lady who used to sing with the **Rossington Collins Band**. This has already been recorded and will be included on **Meat's** sooncoming album. More intriguingly, **George Harrison** and **Cilla Black** are poised to work together for the first time in many years following a chance meeting at a London restaurant. Over past, **Cilla** enquired what happened to the tapes she and **George** had worked on in 1974 when **Harrison** was hoping to produce an album for **Cilla**. **Harrison** replied that he still has the tapes and that he'd still like to produce **Cilla**. Before going their separate ways the **Liverpudlians** agreed to get together again very soon. As a result **George** is said to be beavering away in **Oxfordshire** putting together some suitable material for **Cilla**.

Collectors of vinyl oddities should be on the lookout for a blue bell-shaped disc by — surprise! — the **Bluebells** and a **Ca Va Ca Va** picture disc in the shape of a painting pallet.

Chart File 1983 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Chart File 1983 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Chart File 1983 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they

provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Chart File 1983 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Chart File 1983 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Chart File 1983 is one of the best book in our library for free trial. We provide copy of Chart File 1983 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Chart File 1983. Where to download Chart File 1983 online for free? Are you looking for Chart File 1983 PDF? This is definitely going to save you time and cash in something you should think about.
