*Charting Made Simple* Roger Kinsky, 2011-06-01 A straightforward guide that answers investors' questions and helps them develop their own charting system. The fifth book in the Wrightbooks Made Simple series, this book gives investors the answers they need to understand and use charting without the expense of a proprietary program. It explains such commonly used charting tools as the moving average indicator and Bollinger bands and shows readers how to combine tools and techniques into a coherent charting system that works for them.
