

HOW TO BUDGET ON A LOW INCOME

01 Prioritize Expenses

Always pay necessities first, including food, housing, utilities and transportation. Pay no other expenses until these are taken care of.

02 Cut Costs

Temporarily cut out all non-necessities such as eating out, personal spending, vacation, recreation, etc. The goal is to get caught up and a plan in place.

03 Set a Budget

Break the paycheck to paycheck cycle by carefully and strategically making a written budget every month before the month begins. Plan every single dollar on paper.

04 Use Cash to Save

Research shows when we use cash we behave differently with money. Cash budgeting is especially helpful for budget categories you tend to overspend on.

Stewards Not Owners Bill Wichterman, Dana Wichterman, 2025-03-11 The book *Stewards Not Owners* goes beyond beyond the traditional Christian concept of tithing giving 10% of our income to encourage readers to consider a new paradigm that everything our time talents treasures relationships belong to the Lord but they are still ours for us to use with joy and creativity Stewardship is a word we don't hear very often until our church needs to build a new building But does Scripture say more about stewardship than that Is there more to managing our money for God's kingdom than we realize In *Stewards Not Owners* Dana and Bill Wichterman challenge conventional views on wealth and giving encouraging Christ followers to put all their financial muscles to work for the Lord Rather than focusing on simply giving away 10 percent of their income Dana and Bill challenge readers to activate 100 percent of their wealth and wealth creating potential for kingdom goals The Wichtermans also reveal How to incorporate your faith into your financial decisions Why God calls us to save while cautioning us against hoarding The need for financial openness and transparency in our faith communities How faithful Christians are inadvertently funding companies and initiatives that actively work against biblical values How to creatively use your charitable giving to build Christ centered businesses Strategies for aligning your personal wealth building goals with your heavenly calling to expand God's kingdom Drawing on years of personal research relationships and experience Dana and Bill also share the inspiring stories of twenty four individuals who have fully embraced a lifestyle of radical stewardship Surrendering all your finances to God doesn't have to mean living a dull joyless ascetic life As you'll discover in *Stewards Not Owners* you can enjoy God's financial blessings while still using them to expand His kingdom and lead a life of true abundance and eternal significance [Profitable Strategies for Fitness Managers, Directors and Owners](#) ,
