Do Look Out Noddy:

Do Look Out Noddy! Enid Blyton, 1992 **Enid Blyton's Do Look Out Noddy** Enid Blyton, 1987 **By The Book: A reader's guide to life** Ramona Koval, 2012-10-24

By the Book is Ramona Koval's love letter to books and writing. What is it about reading that we love so much? Why do books make our lives so much richer? Ramona Koval's *By the Book* is about reading and living and about the authors that have written themselves into her life from Oliver Sacks to Oscar Wilde, Christina Stead to Grace Paley. It is about learning to read and asking her mother to buy her a copy of the *Kama Sutra* about love and science and her childhood ambition to be Marie Curie about arctic exploration and her ruminations on what part of a husky she would eat if she had to about poetry and travel and falling in love. In our book devouring nation this is a book for every avid reader and every avid listener who has been spellbound by Ramona's interviews over the years. *By the Book* is quintessentially Ramona: warm, bright, erudite, unmissable. Ramona Koval is a writer, journalist, and broadcaster. She is the editor of *Best Australian Essays* and was the presenter of ABC Radio National's *The Book Show* for many years. She now interviews writers for *The Monthly*'s online book club textpublishing.com.au. After 16 years as the host of Australian Broadcasting Corporation's *The Book Show*, Koval has a knack for conveying the essence of a book without spoiling it. She also recounts key exchanges with interviewees as diverse as Grace Paley, Oliver Sacks, and Paul Theroux. *Shelf Awareness*: *By the Book* takes us on intriguing journeys through books. The excitement with which Koval still approaches each new book, plunging in head first, heart deep, furnishes the last words of this urbane and enlightening work of her own. *Weekend Australian*: *By the Book* is a reminder of the role books can play in our lives. If you celebrate their contribution and appreciate their influence and artistry, then this is a story you will want to treasure. I certainly do. *Weekly Review*: A love letter to the act of reading, an ideal read for any bibliophile. Her tone is warm and inviting, just a touch short of wry, genuine and infectious. *Readings Monthly*: She's a shining presence in the world of literature here in Australia and right across the globe. The book reads smoothly, it flows along from mood to mood, full of wit and beauty and grace. Her voice is always recognisable, invigorating, familiar to us and greatly loved, the voice of a highly literate woman. Helen Garner: As keen readers know, a book is more than an ordered pile of paper and cardboard, or these days, a collection of e-reader pixels. A companion, a refuge, a happy distraction, a gift to share, it can be all or any of these things, plus a bookmark of important times of one's life. The wise and warm Ramona Koval has written a literary memoir which focuses on this last quality, the books that marked and made her from childhood through teens, student years to adulthood. *Australian Women's Weekly*: An irresistible study of the symbiotic relationship for the bookish between life and books. The voice is easily recognisable as the one we know from Koval's decades in radio, generous, warm, and fearless. *Kerryn Goldsworthy Australian Book Review*: The last chapters of *By the Book* reveal the quality of mind that made Ramona Koval such a brilliant interviewer, as much at home with scientists and travel writers as with novelists and poets. *Brenda Niall Age*: Koval's enthusiasm bubbles from the page. It confirms the erudite and

talented Koval is a treasure whose voice is sorely missed on our airwaves Australian Bookseller and Publisher An entertaining funny and instructive memoir about the real value of books Good Reading **The Puffin Good Reading Guide for Children** Ruskin Bond,2006-05 A comprehensive guide to fiction in English for readers aged four to sixteen The Puffin Good Reading Guide for Children is divided into three sections to suit every age group It has entries listing over 1000 books and is divided into categories with cross references so that children can read more in genres they like It includes both classics and the best of contemporary works and books from all over the world With an introduction by Ruskin Bond India s best known children s writer in English The Puffin Good Reading Guide is an invaluable resource for children who love books as well as for parents and friends looking for the right book for the young people in their lives Enid Blyton: The Biography Barbara Stoney,2011-08-26 Enid Blyton is known throughout the world for her imaginative childrens books and her enduring characters such as Noddy and the Famous Five She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even members of her own family The woman who emerged from Barbara Stoney s remarkable research was hardworking complex often difficult and in many ways childlike Now this widely praised classic biography has been fully updated for the twenty first century and with the addition of new colour illustration and an extended bibliography of Enid Blyton s books it documents the growing appeal of this extraordinary woman and her writing The fascinating story of one of the world s most famous authors will once again intrigue and delight all those with an interest in her timeless books The British Library General Catalogue of Printed Books 1986 to 1987 British Library,1988 *The Bookseller* ,1957 *Bookseller and the Stationery Trades' Journal* ,1957 *Tubby Bear's Tea Party* Fiona Cummings,Enid Blyton,1997 **Official Guide to Flea Market Prices** Harry Rinker,2001-05-08 Finding and evaluating flea markets list of top flea markets in the U S honing your shopping skills and price guides **British Children's Writers, 1914-1960** Donald R.
