Doctrinal New Testament Commentary:

Doctrinal New Testament Commentary Bruce R. MacConkie, Reorganized Church of Jesus Christ of Latter Day Saints. Board of Publication, 1975 *Doctrinal New Testament Commentary: Colossians-Revelation*, by B. R. McConkie, 1973

Doctrinal New Testament Commentary Bruce R. McConkie, 1971 **Doctrinal New Testament Commentary** Bruce R. MacConkie, 1970 Doctrinal New Testament Commentary: Acts-Philippians, by B. R. McConkie, 1972

Doctrinal New Testament Commentary Bruce R. McConkie, 1970 *New Testament Study Guide, Pt. 3* Randal S. Chase, 2010-12-08 New Testament Study Guide Pt 3 The Epistles the Book of Revelation This volume is the third of three on the New Testament An unusually large volume it covers most of the Book of Acts the New Testament epistles and the Book of Revelation We read of Saul s conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area The book of Acts provides the historical context to his journeys Along the way we read his teachings in his 14 marvelous epistles to early Church members Eventually we follow Paul to Rome where he was martyred for the cause of Christ This volume also covers the epistles of James Peter John and Jude And finally we read the Book of Revelation John s apocalyptic messages written while he was on the Isle of Patmos The cover features a classic painting of St Paul at His Writing Desk painted by Rembrandt in 1692 **Doctrinal New Testament Commentary** Bruce R. MacConkie, 1975 **God's Plan for all Mankind - Vol. 6** Louis Brent Roberts, 2022-11-09 In this eBook 6 we will now learn answers to one of the questions we all ask ourselves one time or another At my death where will I go I would like to relate a true story about my uncle many years ago He was a big man 6 4 or more He lied about his age when he was 16 years old and got a job with the railroad as a fireman on a steam locomotive He worked his way up to an engineer driving the train from point to point and from town to town One day we as a family were sitting in the front room of my parent s home and my uncle was ask what do you think is going to happen to you when you die He thought for a moment and looked up and said well I believe when you die you a just damn dead and that is all there is to it Sadly there are many people who think the same way today There is much more to this life than just the few years we live as mortals on this earth God has a much larger plan for us all It is a good plan and one we can learn about and gain great comfort and happiness from You see in all the eBooks I have written a graph titled the Plan of Salvation showing God s Plan from the pre existence to the final placement of all depending on how they choose to live their life in mortality I put it in every book because of the importance it is to us Death though all ways a sad time can be mitigated somewhat with the knowledge that it is more of a beginning than an end That statement might be a new and strange concept to many but if you have been taught before or read in the eBooks thus far you know we were all taught these things in the pre existence and we as mortals today accepted and wanted to experience this mortal probation willingly knowing that we all have the potential to return and live with God In exaltation in the celestial world depending on the type of life we choose to live here in mortality We must remind ourselves that death is a separation of

the body and the spirit The spirit is eternal and will always be The mind of man is in the spirit The spirit and the body will be reunited upon our resurrection at the designated time never again to part This will all be discussed in greater detail in the next eBook 6 Titled Final Judgment It is now in this mortal time we are living on this planet to do all we can to learn of the mission of Jesus Christ His atonement and His commandments to live righteous lives and be worthy to return to live with Him This takes effort on the part of each of us We will not gain salvation with Deity as with those who have done so by default We must be actively engaged in this work Read on now and enjoy

Apocalypse Randal S. Chase,2016-10-31 *Apocalypse The Great Day of the Lord for the Righteous* is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord s anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson

Encyclopedia of Cults and New Religions John Ankerberg,John Weldon,1999 Brief synopses of more than 30 influential groups including the Integral Yoga Institute Tibetan Buddhism and the Human Potential movement are also covered Each major group is contrasted with traditional biblical teachings for easy comparison and study Straightforward organization and clearly marked sections make this book easy to use Other helpful features include brief summaries of basic tenants and sources of authority helpful charts for quick reference an in depth doctrinal appendix for further study **BACK COVER**
