**Christian Doctrine** Shirley C. Guthrie,1968      **Christian Doctrine** Shirley C. Guthrie,1994-01-01 CHRISTIAN DOCTRINE has introduced thousands to the tenets of the Christian faith This newly revised edition reflects changes in the church and society and takes into account new works in Reformed theology gender references in the Bible racism pluralism ecological developments and liberation theologies      **False Doctrines in the Christian Church** Mel Heath,2008-02 Today as we look around us we see a world that seems to be making huge steps of progress in every arena thanks to the age of technology Everything is better and faster However when we take a closer look at the facts that can easily be found on the web we find that the moral fabric of society is declining at an alarming rate The cities of our nation are rapidly becoming as evil and profane as Sodom and Gomorrah What should be of greater concern is that the Christian Church all those that profess to be followers of JESUS CHRIST is seen by nonbelievers as being no different than the world around them More than three quarters of the population of the United States claims JESUS as their LORD yet this nation is morally bankrupt What has happened to the Christian Church The purpose of this book is to help us take a closer look at what ALMIGHTY GOD has said about what the problem really is There is not much of any real importance that can or should be said about myself although I would like everyone to know that before I met JESUS I was the perfect picture of the chief sinner that the apostle Paul claimed to be As I look upon my past I know Paul would not have had a chance for the title if his life before CHRIST was compared with my own Glory be to GOD who empowers and inspires a wretched man s soul to do good For anyone to know more about me would bring them little gain however to know the one who can empower and inspire anyone who truly wants to change to become reconciled to our HEAVENLY FATHER is of the highest gain      Christendom Einar Molland,1959

the way they have been handled More sympathetic to the intentions of the Catechism s authors than some other recent commentators Nichols is sensitive to the nuances of this magisterial text and its immense theological import

**Understanding Doctrine** Alister E. McGrath,1992 Christianity is not and never has been about finding the right combination of words It is about encountering the living and loving God From this truth many people have drawn the wrong conclusion that doctrine is irrelevant except maybe for theologians Yet every time we talk about God Jesus or the Bible we end up making doctrinal statements If our faith is to be coherent and if we want to grow in our faith we cannot avoid thinking about doctrine In this highly readable and much needed book Alister McGrath explains what doctrine is why it is important and what its limitations are He then briefly examines three key doctrines to illustrate his points the Incarnation the Atonement and the Trinity
