Dodger Stadium:

Dodger Stadium Mark Langill,2004 Since 1962 the inspiring architecture and sweeping vistas of Dodger Stadium have inspired millions of Los Angeles Dodgers baseball fans What team president Walter O Malley envisioned nearly half a century ago endures as one of professional baseball s most striking pieces of architecture standing in the shadow of the dramatic San Gabriel Mountains Dodger Stadium is also one of only two such parks built during the 20th century constructed entirely with private funds Most people think of the stadium as a world class baseball park and Dodger Stadium has certainly earned such a reputation hosting eight World Series an All Star contest and hundreds of action filled games through the years during which the Dodgers won eight National League championships and four World Series But the stadium has been much more than a sporting ground hosting Olympic ceremonies and events a papal visit from John Paul II in 1987 and world renowned musical events ranging from Elton John to KISS to The Three Tenors Other events have included ski jumping competitions boxing and a Harlem Globetrotters basketball exhibition For four years in the 1960s the stadium was also used by the Los Angeles Angels baseball team *City of Dreams* Jerald Podair,2019-07-09 A vivid history of the controversial building of Dodger Stadium and how it helped transform Los Angeles When Walter O Malley moved his Brooklyn Dodgers to Los Angeles in 1957 with plans to construct a new ballpark he ignited a bitter half decade dispute over the future of a rapidly changing city For the first time *City of Dreams* tells the full story of the controversial building of Dodger Stadium and how it helped create modern Los Angeles In a vivid narrative Jerald Podair tells how the city was convulsed over whether where and how to build the stadium Eventually it was built on publicly owned land from which the city had uprooted a Mexican American community raising questions about the relationship between private profit and public purpose Indeed the battle over Dodger Stadium crystallized issues with profound implications for all American cities Filled with colorful stories *City of Dreams* will fascinate anyone who is interested in the history of the Dodgers baseball Los Angeles and the modern American city

Stealing Home Eric Nusbaum,2020-03-24 The scrupulously detailed Los Angeles Times story of how the fight to build Dodger Stadium and transform Los Angeles into a big league city came at the cost of everyday Angelenos Dodger Stadium is an American icon But the story of how it came to be goes far beyond baseball The hills that cradle the stadium were once home to three vibrant Mexican American communities In the early 1950s those communities were condemned to make way for a utopian public housing project Then in a remarkable turn public housing in the city was defeated amidst a Red Scare conspiracy Instead of getting their homes back the remaining residents saw the city sell their land to Walter O Malley the owner of the Brooklyn Dodgers Now LA would be getting a different sort of utopian fantasy a glittering ultra modern stadium But before Dodger Stadium could be built the city would have to face down the neighborhood s families including one the Archigas who refused to yield their home The ensuing confrontation captivated the nation and the divisive outcome still echoes through Los Angeles today **Dodgers Past & Present** Steven Travers,2009-04-15 From their origins as the Brooklyn

Atlantics in 1884 through their departure from their beloved borough in 1957 to their record breaking popularity in sunny Los Angeles the Dodgers baseball team has been an unstoppable force in professional baseball for well over a century The franchise has captured a record 21 National League titles won six World Series championships and produced dozens of Hall of Famers The Dodgers revolutionized the sports landscape with the signing of Jackie Robinson in 1947 and have boasted a list of players that reads like an all time all star team from Walter Alston to Zack Wheat Wee Willie Keeler to Pee Wee Reese Dazzy Vance to Sandy Koufax Duke Snider to Jeff Kent The team s two longtime homes Brooklyn s Ebbets Field and Los Angeles Dodger Stadium stand out in the pantheon of great baseball palaces Dodgers Past Present traces the history of this storied franchise from its origins in the 1880s to its latest accomplishments on the field Pairing historic black and white photos and contemporary images of the modern game the book explores the ballparks and the fans the players and the teams that have defined Dodger baseball and captured the attention of fans nationwide **Mallparks** Michael T.

Shmelter,2017-12-04 Over the past 60 seasons the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball winning 21 National League pennants and 6 World Series titles Amid the backdrop of Hollywood glitz and glamor the iconic franchise owes its consistent success to the talents and efforts of many This encyclopedia provides stats and biographical details for all of them Sections cover the 1958 2016 seasons influential players and executives Dodgers traditions and season and career records An all time player roster and list of all time managers are included **The Los Angeles Dodgers** David Paige,Richard Whittingham,1982 *California.
