Doctrinal Preaching For Today:

Biblical Preaching for Today's World Lloyd Perry, 1990-03-08 Biblical preaching has not outgrown its usefulness. The methods may vary but the message remains the same. God's challenge and call to the preacher still come through loud and clear. Preach the Word. Lloyd M. Perry's *Biblical Preaching for Today's World* has been helping pastors and speakers preach the Word since 1973. Although the principles Perry originally established are timeless, the needs and concerns of audiences are always changing. To help pastors preach more effectively to today's congregations, Perry has updated his original manuscript. He offers pastors help in understanding and adjusting to the effects television has had on an audience's listening skills. Historical references throughout each chapter will also help preachers learn from yesterday's teachers and styles. *Biblical Preaching for Today's World* continues to offer sound, time-tested principles for preaching regardless of the preacher's style. Filled with helpful suggestions, annotated outlines, and solid documentation, it is invaluable reading for all who aspire to preach the Word. Morey, Robert Morey, 2000-02 Already reviewed as the greatest work ever written on the fear of the Lord, this book will take you from theology to kneeology, from the knowledge of the fear of God to its experience in your life. Dr. Morey traces the loss of the fear of God in the church today due to the feminization of the church that began in the late nineteenth century. The Fear of God is explained from the original Hebrew and Greek text. As an added feature, this work includes readings from John Bunyan, John Gill, Charles Spurgeon, the Puritans, and modern writers on The Fear of God. *The Hartford Seminary Record*, 1911

Expository Preaching in Africa Ezekiel A. Ajibade, 2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures? In *Expository Preaching in Africa*, Ezekiel A. Ajibade engages this challenge directly, offering practical techniques for integrating African oral elements such as myths, proverbs, folklore, dance, drama, poetry, and storytelling into preaching that is both biblical and African. Alongside numerous examples and tools, Ajibade provides a rich overview of the nature of orality, the history and development of African preaching, and the reason biblical exposition must be central to gospel proclamation. He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations. Contextualized expository preaching is not therefore one technique to be utilized among many; it is rather the heart of biblical teaching and the future of the African church. While contributing significantly to studies in contextualization and homiletics, this book is immediately applicable to practitioners, especially
