Doctrinal Preaching For Today Case Studi:

Doctrinal Preaching for Today Andrew Watterson Blackwood,1975 *Doctrinal Preaching for Today* Andrew Watterson Blackwood,1956 **Should We Use Someone Else's Sermon?** Scott M. Gibson,2009-05-26 With easy access to sermons on the Internet plus pressure to deliver the next sermon with little time to prepare no wonder some pastors have resorted to plagiarizing other people s sermons passing them off as their own This growing epidemic has received coverage in the Wall Street Journal on National Public Radio and elsewhere Some pastors have been caught in the act and dismissed from their churches Is this fair Is this stealing How can you recognize it How can it be prevented This book not only helps explain the problem but it also explores the ethical implications and gives advice on how to avoid it or deal with it if the problem surfaces in your church It includes study questions at the end of chapters and a concluding case study *Proclaiming the Whole Counsel of God* Steve D. Eutsler,2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God **A Presbyterian Bibliography** Harold B. Prince,1983 Librarians historians researchers students and others interested in examining the literary production of Southern Presbyterian ministers and works written about them will find *A Presbyterian Bibliography* invaluable A 4 187 entry listing of extant published writings of ministers ordained by or received into the Presbyterian Church in the United States in its first hundred years 1861 1961 this bibliography lists works by and about PCUS ministers and gives locations of all editions found in eight significant theological collections in the U S A Presbyterian seminary libraries are those of Austin Columbia Louisville Princeton Reformed and Union Virginia included also are the libraries of the Historical Foundation of the Presbyterian and Reformed Churches and the Presbyterian Historical Society An examination of this listing of published i e printed books parts of books pamphlets and periodical article reprints shows that PCUS ministers became authors editors translators poets dramatists composers and essayists who wrote sermons polemics commentaries Bible studies theologies histories and letters to Presidents Content notes and annotations for many books indicate individual minister contributions A subject index and indexes leading to every listing of a minister s name and to the main entries of the other presons gives

access to the Bibliography **Preaching is Believing** Ronald J. Allen,2002-01-01 In Preaching Is Believing Allen calls for preachers to help congregations cultivate a systematic approach to Christian faith and life by bringing systematic theology directly into the pulpit *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography,1978 *Recent Homiletical Thought* A. Duane Litfin,Haddon W. Robinson,1983 Concordia Theological Monthly ,1957 *Recent Homiletical Thought* William Toohey,William D. Thompson,1967 **Secrets of the Prince of Expositors** Michael Hawk Mills,2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren s sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible s truths come alive and be applicable Expository Preaching in Africa Ezekiel A. Ajibade,2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In Expository Preaching in Africa Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts *'American Book Publishing Record'* Cumulative R. R. Bowker LLC,1976 **Religious Books, 1876-1982** ,1983 Library of Congress Catalogs Library of Congress,1960 **Library of Congress Catalog** Library of Congress,1955 A cumulative list of works represented by Library of Congress printed cards **Bibliographic Index** ,1956 *RIC.* ,1975 Weekly Record ,1975 **National Union Catalog** ,1958 Includes entries for maps and atlases
