mayhem and murder Slovo is a man alone set apart by his stoic beliefs from the rigours of human fears and passions As such he was a valuable find for the Vehme a clandestine subversive society that ensnared its members from an early age securing loyalties by the expedient methods of blackmail bribery and barbarism But Slovo is more than a Vehmist puppet and whether as a brigand on the high seas or emissary to the Borgias or as the Pope s Machiavellian Mr Fix it he plots a course that suits his own ends as much as those of his paymasters He knows that in the words of his mentor Marcus Aurelius in a brief while you will be ashes of bare bones a name or perhaps not even a name And there are few things that cannot be solved by a stiletto in the eye
