*Pamela Colman Smith* Elizabeth Foley O'Connor, 2021-07-06 Pamela Colman Smith's illustrations for the Rider Waite tarot deck are known to millions worldwide but her work took her from art galleries in New York and Europe to salons with luminaries of the English suffrage movement the Irish literary revival and friendships with Bram Stoker W B Yeats and G K Chesterton A feminist artist poet folklorist editor publisher and stage designer who was active from 1896 through the 1920s Colman Smith became popular for her live performances of Jamaican folktales in both England and the U S using the creole of the island to capture the dramatic power of these tales while driving speculation about her purposefully indeterminate racial and sexual identity She also travelled in and was expelled from occult circles and her ability to take on and cast aside a wide range of identities was central to her life's work Colman Smith illustrated more than 20 books and well over a hundred magazine articles wrote two collections of Jamaican folktales and edited two magazines Her paintings were exhibited in galleries in the U S and Europe The Jamaica Reader Diana Paton, Matthew J. The West Indian Language Issue in British Schools (1979) Viv Edwards, 2017-09-29 First published in 1979 The performance of West Indian children in British schools has been the subject of enquiries by both a parliamentary select committee and the Department of Education It is widely believed that an important factor in the relative failure of West Indian children is the language they use West Indian Creole and while teachers and others who work with them are aware that their language is often very different from British English they seldom understand the nature of the differences or their implications The aim of this book is to provide the non specialist with an account of the language of West Indian children and to examine how linguistic interference can affect their level of reading writing and understanding even when they have been born in Britain It also considers the worrying possibility that negative attitudes towards them and their language may have an adverse effect on their motivation to learn standard English Viv Edwards places great stress on the fact that although Creole is different from British English it is in no way deficient as a language She emphasizes the importance of familiarity with the structure of Creole since it is only in this way that the teachers can discriminate between real mistakes and Creole interference Attention is drawn to the relationship between language attitudes and social stereotypes and the danger that these might be translated into reality Different strategies available to the teacher are examined drawing on American experience in this field and various initiatives taken by British teachers are described thus making the study a work of practical value to teachers and others *Journal of American Folklore*, 1921 **Publications** Folklore Society (Great Britain), 1910 Encyclopedia of Superstitions, Folklore, and the Occult Sciences of the World Mrs. Cora Linn (Morrison) Daniels, Charles McClellan Stevens, 1903 **Jamaica Negro Proverbs and Sayings Collected and Classified According to Subjects** Izett Anderson, Frank Cundall, 1910 **Dictionary of Jamaican English** Frederic G. Cassidy, Robert Brock Le Page, 2002 Originally published by Cambridge University Press in 1967 and then revised as a second edition in 1980 this classic study has never before been available in a paperback edition This method and plan of the dictionary are basically those of the Oxford English Dictionary but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655 The dictionary is a mine of information about the Caribbean and its dialects about the history of English and its dialects and about Creole languages and general linguistic processes Entries give the pronunciation part of speech and usage labels spelling variants etymologies and dated citations as well as definitions Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries Suriname Guyana Trinidad Barbados Nicaragua and Belize **The Handbook of Jamaica for ...**, 1924 **Encyclopaedia of Superstitions, Folklore, and the Occult Sciences of the World** Cora Linn Daniels, 1903 *Jamaica in 1928* Institute of Jamaica, Frank Cundall, 1928 The Mulberry Tree Winifred James, 1913 Annancy Stories Arthur James Newman, Sir Philip Manderson Sherlock, 1968 **St. Nicholas**, 1912 **The Handbook of Jamaica for ...**, 1923 *Colorado College Publication* Colorado College, 1904
