Anna's Inspirational Poems Anna Lee Nelson, 2012-10-24 I began writing poetry in 1951 This book of poetry is influenced by my faith in God that spreads through every poem that I have written on these humble pages My intentions are to edify and exhort the reader to be inspired by these treasures of my soul Anna L Nelson **Anna Karenin**

graf Leo Tolstoy, 1916 *Anna Hubbard* Mia Cunningham, 2021-12-14 Anna Eikenhout 1902 1986 was an honors graduate of Ohio State University a fine arts librarian a skilled pianist and an avid reader in three languages Harlan Hubbard 1900 1988 a little known painter and would be shantyboater seemed an unlikely husband but together they lived a life out of the pages of Thoreau s Walden Much of what is known about the Hubbards comes from Harlan s books and journals Concerning the seasons and the landscape his writing was rapturous yet he was emotionally reticent when discussing human affairs in general or Anna in particular Yet it was through her efforts that their life on the river was truly civilized Visitors to Payne Hollow recall Anna as a generous gracious hostess whose intelligence and artistry made the small house seem grander than a mansion

Anna Karenina Leo Tolstoy, 2020-09-28 Happy families are all alike every unhappy family is unhappy in its own way Everything was in confusion in the Oblonskys house The wife had discovered that the husband was carrying on an intrigue with a French girl who had been a governess in their family and she had announced to her husband that she could not go on living in the same house with him This position of affairs had now lasted three days and not only the husband and wife themselves but all the members of their family and household were painfully conscious of it Every person in the house felt that there was no sense in their living together and that the stray people brought together by chance in any inn had more in common with one another than they the members of the family and household of the Oblonskys The wife did not leave her own room the husband had not been at home for three days The children ran wild all over the house the English governess quarreled with the housekeeper and wrote to a friend asking her to look out for a new situation for her the man cook had walked off the day before just at dinner time the kitchen maid and the coachman had given warning Three days after the quarrel Prince Stepan Arkadyevitch Oblonsky Stiva as he was called in the fashionable world woke up at his usual hour that is at eight o'clock in the morning not in his wife s bedroom but on the leather covered sofa in his study He turned over his stout well cared for person on the springy sofa as though he would sink into a long sleep again he vigorously embraced the pillow on the other side and buried his face in it but all at once he jumped up sat up on the sofa and opened his eyes Yes yes how was it now he thought going over his dream Now how was it To be sure Alabin was giving a dinner at Darmstadt no not

Darmstadt but something American Yes but then Darmstadt was in America Yes Alabin was giving a dinner on glass tables and the tables sang *Il mio tesoro* not *Il mio tesoro* though but something better and there were some sort of little decanters on the table and they were women too he remembered Stepan Arkadyevitch's eyes twinkled gaily and he pondered with a smile Yes it was nice very nice There was a great deal more that was delightful only there's no putting it into words or even expressing it in one's thoughts awake And noticing a gleam of light peeping in beside one of the serge curtains he cheerfully dropped his feet over the edge of the sofa and felt about with them for his slippers a present on his last birthday worked for him by his wife on gold colored morocco And as he had done every day for the last nine years he stretched out his hand without getting up towards the place where his dressing gown always hung in his bedroom And thereupon he suddenly remembered that he was not sleeping in his wife's room but in his study and why the smile vanished from his face he knitted his brows Ah ah ah Oo he muttered recalling everything that had happened And again every detail of his quarrel with his wife was present to his imagination all the hopelessness of his position and worst of all his own fault Yes she won't forgive me and she can't forgive me And the most awful thing about it is that it's all my fault all my fault though I'm not to blame That's the point of the whole situation he reflected Oh oh oh he kept repeating in despair as he remembered the acutely painful sensations caused him by this quarrel Most unpleasant of all was the first minute when on coming happy and good humored from the theater with a huge pear in his hand for his wife he had not found his wife in the drawing room to his surprise had not found her in the study either and saw her at last in her bedroom with the unlucky letter that revealed everything in her hand She his Dolly forever fussing and worrying over household details and limited in her ideas as he considered was sitting perfectly still with the letter in her hand looking at him with an expression of horror despair and indignation What's this this she asked pointing to the letter And at this recollection Stepan Arkadyevitch as is so often the case was not so much annoyed at the fact itself as at the way in which he had met his wife's words There happened to him at that instant what does happen to people when they are unexpectedly caught in something very disgraceful He did not succeed in adapting his face to the position in which he was placed towards his wife by the discovery of his fault Instead of being hurt denying defending himself begging forgiveness instead of remaining indifferent even anything would have been better than what he did do his face utterly involuntarily reflex spinal action reflected Stepan Arkadyevitch who was fond of physiology utterly involuntarily assumed its habitual good humored and therefore idiotic smile This idiotic smile he could not forgive himself Catching sight of that smile Dolly shuddered as though at physical pain broke out with her characteristic heat into a flood of cruel words and rushed out of the room Since then she had refused to see her husband It's that idiotic smile that's to blame for it all thought Stepan Arkadyevitch But what's to be done What's to be done he said to himself in despair and found no answer
