Anne Brontë Elizabeth Langland, 1989-01-01 | Anne Brontë The Other One is the first full length study to provide a feminist reading of the life and work of this youngest Brontë. In the Brontë mythology of three talented intimate and devoted sisters Anne has played in George Moore's words the role of literary Cinderella relegated to the ashes of history for her failure to reach the standards set by her sisters. Elizabeth Langland demonstrates that the sisterly context which enabled the work of all three has proved detrimental to a full critical appreciation of Anne. Measured by the standards of Emily and Charlotte Anne's work must inevitably suffer. Through a close examination of the life poetry and novels Elizabeth Langland shows that Anne's work drew its inspiration from a different literary tradition than that which influenced her sisters and further that Anne's novels and poems in fact offer a stringent critique of the values inherent in her sisters' works. In detailing the literary debt Charlotte in particular owed her youngest sister and in demonstrating the intertextual relationships among all the Brontë novels Professor Langland presents a genuinely revisionary perspective on Anne Brontë. In key chapters on the poetry *R Agnes Grey* and *The Tenant of Wildfell Hall* Professor Langland argues persuasively that we revise upward our critical estimate of this literary Cinderella. Contents: 1 Anne Brontë's Life age and experience 2 Influences Action Bell is neither Currer nor Ellis Bell 3 The Poems pillars of witness 4 *Agnes Grey* all true histories contain instruction 5 *The Tenant of Wildfell Hall* wholesome truths versus soft nonsense 6 Critics on Anne Brontë a literary Cinderella Note on Texts Notes Bibliography Index R

The Tenant of Wildfell Hall Anne Brontë Anne Brontë, 2016-11-13 *The Tenant of Wildfell Hall* is the second and final novel by the English author Anne Brontë. It was first published in 1848 under the pseudonym Acton Bell. Probably the most shocking of the Brontë novels it had an instant and phenomenal success but after Anne's death her sister Charlotte prevented its re-publication. The novel is framed as a series of letters from Gilbert Markham to his friend and brother-in-law about the events leading to his meeting his wife. A mysterious young widow arrives at Wildfell Hall, an Elizabethan mansion which has been empty for many years with her young son and servant. She lives there in strict seclusion under the assumed name Helen Graham and very soon finds herself the victim of local slander. Refusing to believe anything scandalous about her Gilbert Markham, a young farmer, discovers her dark secrets. In her diary Helen writes about her husband's physical and moral decline through alcohol and the world of debauchery and cruelty from which she has fled. This novel of marital betrayal is set within a moral framework tempered by Anne's optimistic belief in universal salvation.

1 *The Tenant of Wildfell Hall* is mainly considered to be one of the first sustained feminist novels. 2 May Sinclair in 1913 said that the slamming of Helen's bedroom door against her husband reverberated throughout Victorian England. In escaping her husband Helen violates not only social conventions but also English law.

book is in Large Print Edition The Fonts are 16 point type nearly double the size of typical book printing This is to make the book more comfortable and easier to read It also makes the book appear to be longer We hope the reading public appreciates our efforts to make the great classics more readable It is said that the reason that the work was suppressed was the scandalous nature At the time of its writing under the laws of the Victorian Era a woman was virtually owned by her husband She could not leave him or divorce him but he could divorce her In the case of divorce custody of the children belonged to him not to her Thus when the protagonist who calls herself Helen Graham coincidentally almost the name of my mother escapes from her husband Arthur with her son and goes into hiding she had violated the laws She goes into hiding in Wildfell Hall the place of her birth and where she grew up but nobody recognizes her so she keeps her true identity concealed So she is the Tenant of Wildfell Hall
