Annie's Promise Mail order Romance Book 1 In 1890, desperate and destitute Annie Byrne, an Irish immigrant to New York City, signs up to be a mail order bride in faraway California to a man whose wife had died, leaving him with 8-month-old twins. Annie leaves for California by train but promises to find a husband and home for her best friend, young unwed Maisie, and her baby, Emma. Annie's new husband, Jake Parker, strikingly handsome but consumed with shame and guilt, both terrifies and attracts her, but makes clear this is a marriage of convenience. While Annie loves the children fiercely and longs for a real marriage, Jake keeps a cold distance despite his growing passion for Annie. Consumed with desire and jealousy, he hurts Annie deeply. Can Annie forgive him and build a loving relationship? To make amends, Jake vows to help Annie keep the promise she made to find a husband for Maisie before Maisie ends up on the streets and loses Emma. But first they must convince his shy, bookish cousin and best friend, Adam Johnson, to agree to marry Maisie. *Annie's Promise* Margaret Graham, 2013-12-05

A compelling and moving novel of life in war-torn 1950s Northumberland and London. In the mid-1950s, Britain looks forward to a prosperous future. And Annie Manon has come home to the North East to keep a promise. Annie is eager to start a new life for her family and with her fledgling fashion business, she looks forward to providing work for the women of Wasingham. But not everything is rosy. As well as her painful wartime memories, Annie must cope with an accident that cripples her husband and she must deal with the increasingly unreasonable behaviour of their daughter, Sarah.
