Arthur Sullivan, William Schwenck Gilbert, Isaac Asimov, 1988 *The Savoy Operas: The Complete Gilbert and Sullivan*

Arthur Sullivan, W. S. Gilbert, 2008-10-30 Gilbert and Sullivan's operas are some of the world's best loved musical works delighting audiences with their joyous wit, topsy-turvy logic and extravagant wordplay. This glorious treasury is the definitive annotated edition of all fourteen of their operas. From the partially lost work *Thespis*, the first collaboration between W. S. Gilbert and Arthur Sullivan through the triumphant comic romps *The Pirates of Penzance* and *The Mikado* to lesser performed gems such as the fanciful *The Sorcerer* and the acerbic lampoon *Patience*, Gilbert's libretti are collected here in their most accurate and faithful form. There is a fascinating commentary on each work, telling the extraordinary stories behind the inspiration for the opera and its performance history, and giving plot summaries and original cast lists. *The Annotated Gilbert and Sullivan: Trial by jury. The sorcerer. Patience. Princess Ida. Ruddigore. The yeomen of the guard*

Arthur Sullivan, 1985 *Aristophanes in Britain* Peter Swallow, 2023-08-12 In this lively and wide-ranging study, Peter Swallow explores the reception of Aristophanes in Britain throughout the long nineteenth century, setting it in the broader context of Victorian Classicism and more specifically the period's reception of Greek tragedy. Swallow shows the surprising extent to which Aristophanes was repurposed across an array of mediums in Victorian Britain and demonstrates that Aristophanic reception in the period was always a process of speaking to contemporary issues, making Old Comedy new. The book examines two strands of Aristophanic reception: the political and the aesthetic. From the start of the long nineteenth century, the British reception of Aristophanes tied into contemporary political debate, as historians, translators, and commentators, and even the burlesque writer J. R. Planché, activated Aristophanes in support of their own political positions. But each writer's conceptualisation of Aristophanes was as different as their political outlooks. While many writers who appropriated Aristophanes for their cause were Tories, a notable outlier is Percy Shelley, whose Aristophanic drama *Swellfoot the Tyrant* activated Old Comedy to argue for democratic republicanism, what we would now call a left-wing political revolution. The second strand of Aristophanic reception, which developed from around the middle of the nineteenth century, actively depoliticised Old Comedy and instead received it through an aesthetic lens. The aesthetics of Aristophanes, with an emphasis on the beautiful and the archaeological, also lay behind school and university productions of Old Comedy during this period. These strands of nineteenth-century Aristophanic reception find synthesis towards the book's conclusion. Edwardian women's receptions of Aristophanes show how activists used his plays to argue for equal educational opportunities and the right to vote. In the final chapter, Gilbert Murray and George Bernard Shaw's receptions reveal both the political and artistic potential of Aristophanes.

Ruskin, the Theatre and Victorian Visual Culture A. Heinrich, K. Newey, J. Richards, 2009-04-08 This collection of essays sets out to challenge the dominant narrative about Victorian theatre by placing the practices and products of the Victorian theatre in relation to Victorian visual culture through the lens of the concept of Ruskinian theatre, an approach to theatre which values its educative purpose as well as its aesthetic expression. **A Most Ingenious**

Paradox Gayden Wren, 2006 Most books written on Gilbert and Sullivan have focused on the authors rather than on their work Examining all 14 operas in detail this book offers a fresh look at the works themselves *Amateur Operatics* John Lowerson, 2005-10-07 Although occasionally dismissed as middle class and middle brow amateur operatics has often crossed these boundaries and its repertoire included a fascinating mixture of experiment and conservatism Today amateur operatics remain a significant feature of public entertainment despite the competition from other media This major new study examines this fascinating outlet for the expression of popular taste and will be of use to those working in the field of popular culture in Britain as well as today s amateur operatics enthusiasts Jacket

This is likewise one of the factors by obtaining the soft documents of this **Annotated Gilbert And Sullivan** by online. You might not require more era to spend to go to the book foundation as without difficulty as search for them.
