

WHAT IS EXPOSITORY PREACHING?

"An expository sermon is based on a Bible passage, usually longer than a verse or two; the theme, the thesis and the major and minor divisions coming from the passage; the whole sermon being an honest attempt to unfold the true grammatical-historical-contextual meaning of the passage, making it relevant to life today by proper organization, argument, illustrations, application, and appeal." – **Faris D. Whitesell**

Studying the Bible is like digging for truth.

- Task** Exegesis ("ex-eh-jee-iss"): critical study
- Tool** Grammatical, historical, contextual research
- Goal** The meaning of a passage is sometimes hidden beneath layers of context and subtlety, so we need to dig into the text like we're excavating for gold.

Understanding the Bible requires sifting through possible meanings to discover valid interpretations.

- Task** Hermeneutics ("her-men-ew-ee-tics"): the art of understanding
- Tool** Authorial intent (what the original author meant)
- Goal** Identify the most-likely original meaning, as the author would have intended

Preaching the Bible means proclaiming its truths, applied to the lives of listeners today.

- Task** Homiletics ("home-ill-eh-tics"): the art of preaching
- Tool** Expository preaching
- Goal** Preaching God's intended meaning in every passage, by the power and with the guidance of the Holy Spirit

Expository Preaching is Like Bridge-Building

John Stott described preaching as "bridge-building between the revealed Word and the contemporary world." He said, "Such preaching will be authoritative in expounding biblical principles, but tentative in applying them to the complex issues of the day." He asserted, "We should be praying that God will raise up a new generation of Christian communicators who are determined to bridge the chasm; who struggle to relate God's unchanging Word to our ever-changing world; who refuse to sacrifice truth to relevance or relevance to truth; but who resolve instead in equal measure to be faithful to Scripture and pertinent to today."

Robinson, 2025-02-11 This bestselling textbook on biblical preaching is a contemporary classic in the field. It offers students, pastors, and Bible teachers expert guidance in the development and delivery of expository sermons. This new edition provides resources, methods, and advice for new generations of students and pastors. It has been revised and updated throughout by Scott Wenig, professor emeritus of applied theology and Haddon W. Robinson Chair of Biblical Preaching at Denver Seminary. Wenig adds a step to the preaching method that has been widely accepted and utilized by Robinson's former students. Robinson's Big Idea preaching has shaped the thinking of thousands of expository preachers and been the major influence on many of those who teach preaching in today's classrooms. Preaching Say It! Eric C. Redmond, 2020-02-04 Say It: A Celebration of Expository Preaching in the African American Tradition argues that Biblical Exposition is most dynamic when coupled with the African American preaching tradition. Charlie Dates, Romell Williams, George Parks Jr, Terry D. Streeter, and a cast of pastors and preaching professors collaborate to demonstrate the power of exposition in the cradle of the Black pulpit. The contributors in this volume give examples of African American Biblical exposition in every section of the Old Testament and New Testament. They also explain how to preach from narrative, poetical, prophetic, epistolary, and apocalyptic genres throughout the Scriptures. This important and powerful resource celebrates the faithful biblical preaching of African Americans that is so often overlooked because it's stylistically different than the style of most white preachers. Appropriate for training associate ministers or use as a textbook in homiletics. Say It! will give the preacher what is needed to speak to real life from every page of the Book Encountering God through Expository Preaching Ryan Fullerton, Jim Orrick, Brian Payne, 2017-06-15 Preaching occurs when a holy man of God opens the Word of God and says to the people of God, "Come and experience God with me in this text." Encountering God through Expository Preaching ushers preachers of all levels of experience through the practical steps necessary to preach with power. The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching but they also dive deeper to emphasize how a pastor's character and reliance upon the Holy Spirit are essential to preaching God's word effectively. As the preacher encounters God in preaching, he will preach with spiritual power and see lives transformed and churches strengthened.
