A Unique Digital Storytelling Strategy

Pop Swagz chose to weave traditional storytelling techniques into their content and even went so far as to create "chapters" as a way to reach their audience and offer products for consideration. Each chapter appealed to a highly-specified target audience, and suggested there were many parts to the overall story that was Pop Swagz.

These stories were crafted to match the brand's existing voice, and serve as the essence behind Pop Swagz' content marketing strategy to engage potential customers.
