Ann Arbor's First Lady Russell Eugene Bidlack,1998      **Media Relations and the Modern First Lady** Lisa M. Burns,2020-02-06 Media Relations and the Modern First Lady From Jacqueline Kennedy to Melania Trump examines the communication strategies first ladies and their teams have used to manage press and public interest in their private lives to promote causes close to their hearts and to shape their public image Starting with Jacqueline Kennedy who was the first to have a staffer with the title press secretary each chapter explores the relationship between a first lady and the media the role played by her press secretary and communication staff in cultivating this relationship and the first lady s media coverage Contributors exploring the following questions How effective were the media relations and communication strategies of this first lady and her team What worked and what did not Was the first lady a communication asset to her husband s administration And what can we learn from their media relations strategies Along with contributing to the scholarship on presidential spouses the contributions to this volume also highlight the important role media relations plays in strategic political communication Scholars of communication media studies gender and women s studies political science and public relations will find this book particularly useful      **Ann Arbor's First Lady Events in the Life of Ann I. Allen** Russell E Bidlack,2013-12-07 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification ANN ARBOR S FIRST LADY EVENTS IN THE LIFE OF ANN I ALLEN RUSSELL E BIDLACK      The Michigan Alumnus ,1955 In v 1 8 the final number consists of the Commencement annual      **Divided We Stand** Marjorie J. Spruill,2017-02-28 More than forty years ago two women s movements drew a line in the sand between liberals and conservatives The far reaching legacy of that rift is still felt today One of Smithsonian Magazine s Ten Best History Books of the Year Gloria Steinem was quoted in 2015 the New Yorker as saying the National Women s Conference in 1977 may take the prize as the most important event nobody knows about After the United Nations established International Women s Year IWY in 1975 Congress mandated and funded state conferences to elect delegates to attend the National Women s Conference in Houston in 1977 At that conference Bella Abzug Steinem and other feminists adopted a National Plan of Action endorsing the hot button issues of abortion rights the Equal Rights Amendment and gay rights the latter a new issue in national politics Across town Phyllis Schlafly Lottie Beth Hobbs and the conservative women s movement held a massive rally to protest federally funded feminism and launch a Pro Family movement Although much has been written about

the role that social issues have played in politics little attention has been given to the historical impact of women activists on both sides DIVIDED WE STAND reveals how the battle between feminists and their conservative challengers divided the nation as Democrats continued to support women s rights and Republicans cast themselves as the party of family values The women s rights movement and the conservative women s movement have irrevocably affected the course of modern American history We cannot fully understand the present without appreciating the events leading up to Houston and thereafter
