O'Neill,Sarah C. Wynne,2022-04-26 Communism must kill what it cannot control So for a century it has killed artists writers musicians and even dancers It kills them secretly using bioweapons and poison to escape accountability Among its victims was Anna Pavlova history s greatest dancer who was said to have God given wings and feet that never touched the ground But she defied Stalin and for that she had to die Her sudden death in Paris in 1931 was a mystery until now The Dancer and the Devil traces Marxism s century long fascination with bioweapons from the Soviets leak of pneumonic plague in 1939 that nearly killed Stalin to leaks of anthrax at Kiev in 1972 and Yekaterinburg in 1979 from the leak of a flu in northeast China in 1977 that killed millions to the catastrophic COVID 19 leak from biolabs in Wuhan China Marxism s dark past must not be a parent to the world s dark future COMMUNIST CHINA PLAYED WITH FIRE AND THE WORLD IS BURNING Nearly ten million people have died so far from the mysterious Covid 19 virus These dead follow a long line of

thousands of other brave souls stretching back nearly a century who also suffered mysterious natural deaths including dancers writers saints and heroes These honored dead should not be forgotten by amnesiac government trying to avoid inconvenient truth The dead and those who remember and loved them deserve answers to two great questions How Why The Dancer and the Devil answers these questions It tracks a century of Soviet and then Chinese Communist poisons and bioweapons through their development and intentional use on talented artists and heroes like Anna Pavlova Maxim Gorky Raoul Wallenberg and Alexis Navalny It then tracks leaks of bioweapons beginning in Saratov Russia in 1939 and Soviet Yekaterinburg in 1979 through Chinese leaks concluding in the recent concealed leak of the manufactured bioweapon Covid 19 from the military lab in Wuhan China Stalin Putin and Xi perpetrators of these vast crimes against humanity itself should not be allowed to escape responsibility This book assembles the facts on these cowardly murderers calling them to account for their heartless crimes against man concluding in Covid 19

Women Forgotten in History Emily Rice,2023-10-13 Women Forgotten in History unveils the captivating narratives of extraordinary women whose stories have been marginalized and obscured throughout time As we reflect on history it becomes apparent that the majority of names we encounter are those of men But does this imply that women have contributed little or led uneventful lives Or is it rather an indication that their achievements and stories have been obscured and overshadowed throughout the ages Within the pages of this enlightening book a tapestry of forgotten stories comes to life From ancient Egyptian pharaohs to courageous teenagers who defied Nazi occupation a diverse tapestry of women emerges from the shadows these women

reclaim their rightful place in history's narrative. Some forged inspiring paths as activists for noble causes while others left a more morally complex legacy; their stories often veiled in mystery and legend. Despite their contrasting backgrounds and experiences, these women share a common thread: their captivating stories and the tragic reality that their lives and accomplishments have been forgotten or deliberately obscured with the passage of time. However, within their tales lie profound inspiration waiting to be rediscovered.

Women Forgotten in History invites readers to embrace the richness of these forgotten narratives, to honour these remarkable women and to find in their stories a wellspring of empowerment and motivation.
