BOOK JACKET

Enchanted Hunters Maria Tatar, 2012-10-22 Highly illuminating for parents vital for students and book lovers alike Enchanted Hunters transforms our understanding of why children should read Ever wondered why little children love listening to stories why older ones get lost in certain books In this enthralling work Maria Tatar challenges many of our assumptions about childhood reading Much as our culture pays lip service to the importance of literature we rarely examine the creative and cognitive benefits of reading from infancy through adolescence By exploring how beauty and horror operated in C S Lewis s Chronicles of Narnia Philip Pullman s His Dark Materials J K Rowling s Harry Potter novels and many other narratives Tatar provides a delightful work for parents teachers and general readers not just examining how and what children read but also showing through vivid examples how literature transports and transforms children with its intoxicating captivating and occasionally terrifying energy In the tradition of Bruno Bettelheim s landmark The Uses of Enchantment Tatar s book is not only a compelling journey into the world of childhood but a trip back for adult readers as well

Imagining Adoption Marianne Novy, 2011-05-06 Imagining Adoption looks at representations of adoption in an array of literary genres by diverse authors including George Eliot Edward Albee and Barbara Kingsolver as well as ordinary adoptive mothers and adoptee activists exploring what these writings share and what they debate Marianne Novy is Professor of English and Women s Studies University of Pittsburgh

**Spider Silk** Leslie Brunetta, 2010-08-23 Spiders objects of eternal human fascination are found in many places on the ground in the air and even under water Leslie Brunetta and Catherine Craig have teamed up to produce a substantive yet entertaining book for anyone who has ever wondered as a spider rappelled out of reach on a line of silk How do they do that The orb web that iconic wheel shaped web most of us associate with spiders contains at least four different silk proteins each performing a different function and all meshing together to create a fly catching machine that has amazed and inspired humans through the ages Brunetta and Craig tell the intriguing story of how spiders evolved over 400 million years to add new silks and new uses for silk to their survival toolkit and in the telling take readers far beyond the orb

The authors describe the trials and triumphs of spiders as they use silk to negotiate an ever changing environment and they show how natural selection acts at the genetic level and as individuals struggle for survival

**Writing Fiction for Children** Judy K. Morris, 2001 Whether you're nurturing your first idea for a children's book or have a published book or two under your belt Judy K Morris will delight you guide and inspire you challenge and encourage you and improve your chances of reaching the ultimate goal of every children's book author your reader inside your story and your story inside your reader A published author of both fiction and nonfiction for children Morris draws on extensive experience teaching children how to write and teaching adults how to write for children Here she combines concrete methods and step by step techniques with succinct rules of thumb work at making your novel whole from the start never underestimate the power of the plain truth personality quirks are no substitute for character doing a good job of writing usually means doing a good job of rewriting Using judiciously chosen examples from successful children's literature Writing Fiction for Children covers the building blocks of plot characters and setting and addresses common problems such as awkward plotting oversimplifying and taking a preachy or self-conscious tone Pragmatic exercises stimulate writers to scour their experiences sharpen their powers of observation and capture the details voice and narrative energy that can bring stories vividly to life and keep readers submerged in make believe Loaded with practical advice and helpful exercises Writing Fiction for Children is especially useful for anyone who aspires to write for children in the middle ages of eight to twelve Children's books should be hopeful thrilling funny interesting touching and a pleasure to read Morris says Above all they must have something at stake that matters While conceding that only the author can provide the spark of a story to tell Morris offers invaluable guidance on the daily work of crafting shaping refining revising and publishing a children's novel
