It's a Sign Max Karplev,2025-07-18 WHAT IF What if every coincidence in your life wasn't random What if it was the universe whispering in your ear What if the signs you've been ignoring were actually guiding you toward your ultimate purpose We've all had those moments events so random they feel almost deliberate Most of the time we dismiss them caught in the noise of our everyday lives But what if instead of brushing them off you stopped What if you listened and followed that nudge the one that felt like the universe was pointing you toward something greater What if you trusted it just once The author did exactly that He took a leap of faith followed the signs and embarked on a journey that transformed his life That profound transformation is captured step by step in the pages of this book It's raw unflinching and deeply human If you've ever felt lost if you've ever questioned your path THIS IS THE SIGN YOU'VE BEEN WAITING FOR Your life purpose is calling WILL YOU ANSWER
