Can You Find Boo At The Funfair:

October's End Horrified Press,2015-09-16 Summer has shed its kin by the time October comes to town Frost is in the air twilight lingers and the nights loom over the shortened days Nature displays the dying of the year with a explosion of color The nights are darker and the stars are clearer Belief is that the wall between the worlds is at it s thinnest during this season and on the 31st of October it s even possible to cross over in both directions We simultaneously hope and dread that we will catch a glimpse of or come in contact with the dead undead those who never lived and the undying We all love Halloween Of all nights of the year Halloween is the one where we hope that the impossible can be made possible and unreal can become real It s the day where our deepest fears and wishes take on flesh On Halloween our souls cry out Scare us Show us Fear Makes us BELIEVE We wear masks not to hide for that is an illusion but to reveal our true selves It is the one day where we find the courage to laugh at Death
