Love Virtually Daniel Glattauer,2013-12-03 It begins by chance Leo receives emails in error from an unknown woman called Emmi Being polite he replies and Emmi writes back A few brief exchanges are all it takes to spark a mutual interest in each other and soon Emmi and Leo are sharing their innermost secrets and longings The erotic tension simmers and despite Emmi being happily married it seems only a matter of time before they will meet in person Will their feelings for each other survive the test of a real life encounter And if so what then Love Virtually is a funny fast paced and absorbing experience with plenty of twists and turns about a love affair conducted by email

The Speed of Angels Manu Bazzano,2009 I look for you through the mazes of the virtual world through the hyper active desolate hysteria of second life I look for your avatar and mourn the loss of the human face I am in mourning for the disappearance of the human face in relationships I weep for the concealment of the body this inconvenient late Romantic artifact once sovereign of love before the advent of global capitalism
