Van Galder, 1923      **Unfollow Your Passion** Terri Trespicio, 2023-01-03 Is following your passion the key to personal and professional success Your average self help book or motivational speaker would likely respond to this question with a resounding YES and proceed to offer a detailed how to guide to finding that passion and living up to it Unfollow Your Passion does the unconventional opposite In the spirit of Pixar's Soul it encourages you to consider what you lose when you get laser focused on a single pursuit There is more to life than a single spark By narrowly focusing on the constant search for your one defining passion you might miss the infinite number of sparks that exist in anything and everything around you Rich in playful banter psychological research and personal anecdotes Terri Trespicio encourages you not to succumb to the pressure of defining yourself by your passion Instead it emboldens you to keep moving and engage passionately with your present      **The Saddle and Show Horse**
