

10

secrets for

SUCCESS

& Inner Peace

by Dr. Wayne Dyer

Secret #1

Have a mind that is open to everything and attached to nothing.

Your attachments are the source of all your problems. The need to be right, to possess someone or something, to win at all costs, to be viewed by others as superior—these are all attachments. The open mind resists these attachments and consequently experiences inner peace and success.

Secret #2

Don't die with your music still in you.

That music that you hear inside of you urging you to take risks and follow your dreams is your intuitive connection to the purpose in your heart since birth.

Secret #3

You can't give away what you don't have.

By changing your inner thoughts to the higher frequencies of love, harmony, kindness, peace, and joy, you'll attract more of the same, and you'll have those higher energies to give away.

Secret #4

Embrace silence.

Silence reduces fatigue and allows you to experience your own creative juices.

Secret #5

Give up your personal history.

Secret #6

You can't solve a problem with the same mind that created it.

Your thoughts are the source of virtually everything in your life.

Secret #7

There are no justified resentments.

Anytime you're filled with resentment, you're turning the controls of your emotional life over to others to manipulate.

Secret #8

Treat yourself as if you already are what you'd like to be.

From thoughts to feelings to actions, they will all react affirmatively when you stay inspired and get out in front of yourself in ways that are consistent with what you want to become...

Whether you think this is possible or impossible, either way you'll be right.

Secret #9

Treasure your divinity.

You are "a piece of the divine intelligence that supports everything."

Secret #10

Wisdom is avoiding all thoughts that weaken you.

The Power of Intention Dr. Wayne W. Dyer, 2006-01-01 Intention is a force in the universe and everything and everyone is connected to this invisible force Intention is generally viewed as a pit bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture In this view an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed However intention is viewed very differently in this book Dr Wayne W Dyer has researched intention as a force in the universe that allows the act of creation to take place This book explores intention not as something you do but as an energy you re a part of

We're all intended here through the invisible power of intention. This is the first book to look at intention as a field of energy that you can access to begin co-creating your life with the power of intention. Part I deals with the principles of intention, offering true stories and examples on ways to make the connection. Dr. Dyer identifies the attributes of the all-creating universal mind of intention as creative, kind, loving, beautiful, expanding, endlessly abundant, and receptive, explaining the importance of emulating this source of creativity. In Part II, Dr. Dyer offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Dr. Dyer's vision of a world in harmony with the universal mind of intention.

Happiness Is the Way Dr. Wayne W. Dyer, 2020-11-03. Now in trade paper, is the first book of spiritual teachings in several years from international best-selling author and beloved spiritual teacher Dr. Wayne W. Dyer. Audio lectures of Wayne's from the 1990s and 2000s are restructured in a cohesive way to offer a fresh take on his teachings. When you change the way you look at things, the things you look at change. This was something Dr. Wayne Dyer said often, and it was the inspiration for this book. The material contained within is taken from speeches and presentations he gave to many varied audiences over many years. Yet it seemed that no matter who he talked to, he returned to a few themes over and over again, and these themes are woven throughout the pages of *Happiness Is the Way*. As Wayne will show you, there is no magic potion for getting what you want from life. All you could ever want or need can be found inside of you; you simply need to learn to reframe your thinking. No matter what your present circumstances are, you have the power to overcome them. This book will show you the impact of your attitudes, choices, and expectations, leading you to a great sense of empowerment, help you recognize how you are likely much more successful than you ever realized, regardless of the challenges you may be facing, and illuminate the importance of a personal mission. It also includes specific questions and journal exercises to help you chart the way to the life you've dreamed of. In the process, you'll discover that you contain the seeds for greatness within, leading you to a life of true happiness.
